. . . BIG-SHOTS AND ENTERTAINERS, the sextette above take leading parts in their fraternity's skits in the fall Kosmet Klub show, to be given Saturday afternoon. Preston Hays is a WAAC; Bob McNutt's a serenader; Phil Kantor, a big, fat mamma; Perry Fuller, Father Divine: David Walcott, a song and dance man; and Bob Fast is a member of Hitler's court.

UN's amateur theatrical talent will have a chance to "trod the boards" of the Nebraska Theatre Saturday afternoon when Kosmet Klub again presents its traditional Fall Revue.

Believing in the theory that talent is where you find it, eight fraternities searched harder than the rest of the organized houses on the campus, and placed skits in the Klub show.

Providing the laughs-and entertainmentwill be Sigma Nu, Alpha Tau Omega, Alpha Sigma Phi, Sigma Alpha Epsilon, Sigma Chi, Sigma Alpha Mu, Phi Gamma Delta and Phi Kappa Psi.

The UN-Seahawk game will be broadcast to the audience, and to cheer up the crowd in case of a losing game will be the Waccie Sigma Nus whose skit stars the most "Innocent" man on the campus, Preston Hays. Not only does he sing in a voice that would turn Caruso

cold by degrees, but he also dances to the rhythm of Johnnie Cox's band,

Aiding the WAAC cause will be Don Albin, Clifton "Blossom" Bioom, who as a dramatist is better in activities, and Albert Schatz, Sun Valley's gift to the women.

For the ATO's Harlem Jam Session, Perry Fuller, the parson and also a typical Nebraska ed, has an impressive part. Then there is suave and dignified Mark Hargraves who lets his hair down with a bang.

Don James, mind over line addict, toots his brains out on the reverse end of a horn plus some jitterbugging that would do credit to a Mexican jumping bean gone beserk. In addition he will have Jim VanLandingham to help day registration necessary for keep the party on a high plane? keep the party on a high plane?

## **Phys Fitness Group** At UN Today, Friday

Nebraska will play host to the Regional Training Institute of Physical Fitness, which will hold its meetings here starting today and continuing through Friday.

This regional training institute is for interpretation and introduction of physical education programs into high schools. The plans includes a series of nine regional institutes, one of which will be held in each Army Service Command for a period of three days, and a series of training institutes in each state.

Dr. Jackson R. Sharman, principal specialist in physical fitness, of the United States office of Education, when interviewed explained the reason for the plan and train-

## 18 Year-Olds To Register

For Youth Draft Set

In Executive Proclamation

Youths who have reached or will reach their 18th birthdays in the last half of this year will register during three separate registration periods before the end of the year, according to a proclamation made yesterday by President Roosevelt.

Registration for those who became 18 in July and August will register the week beginning Dec. 11 and ending Dec. 17, while young men who reached that age in September and October will register in the following week.

Those who became 18 in November and December will register in the week starting December 26, and closing Decmber 31. Also provided for in the proclamation was a program of continuous registration on their 18th birthdays after January 1, with Mon-

Late Registration.

Late registrations will be permitted for those unable to present themselves during the stated periods because of circumstances beyond their control.

Two other important announcements of interest to college students were: Physicists are to be deferred from the draft because of a critical shortage in that field, and special procedures will be set up in other scientific and specialized fields where shortages de-

Other developments yesterday revealed that local boards had been instructed to reclassify all registrants heretofore deferred beship of the Belvidere club at cause of conviction of crimes. No more deferments will be made on this grounds unless the registrants "are completely disqualified mor-

### **Coed Wins** In Schooner Poster Test

**Dorothy Black Places** First; Prairie Schooner Continues Sales Drive

With an unusual black mounted 'dogie" skull superimposed on appropriate advertising material, Dorothy Black, Lincoln sophomore, won first place in the poster con-test sponsored by the "Prairie Schooner," national literary magazine published at the university.

Second and third prizes went to Emile Reutzel, also a sophomore, and Victor Martens, senior, respectively. The first three awards consisted of a year's subscription to the magazine.

Judges for the contest were Dwight Kirsh, L. B. Blood, Miss Emily Schossberger, F. C. Blood, and L. C. Wimberley. Dr. Wimberley is the editor of the Schooner and Miss Schossberger is faculty business manager.
