

Sooners, Tigers Close Saturday

Missouri clashes with Iowa Pre-flight and Oklahoma meets Oklahoma as the final games of the 1942 gridiron reel spin off the reel next Saturday. The two encounters will close competition of Big Six aggregations.

Bernie Bierman's Navy club is a betting favorite over Don Four-ots Tigers but the difference experts say between the clubs is little despite the betting odds on the Seahawks. Press notices from the Tiger camp indicate that a new Missouri passing find in sophomore Jim Austin will be unveiled against the Iowans. The Seahawks beset by injuries in later weeks will leave Iowa City for Kansas Friday morning.

Oklahoma faces unbeaten William & Mary who will enter the game top-heavy favorites over the Sooners. Many dopsters, however, believe, the "long trip" factor will hamper the Virginians.

Horse Sense

As we sit in our cushioned armchair listening to the howl of the north wind, we can think of only one topic for Horse Sense. A review of pre-campaign court doings can't be printed here until we've disposed of the grid season.

Instead of dwelling too exclusively on the won-lost angle of the campaign, we'll stress individual feats and unusual happenings. Our choice for the two most consistent Cornhusker performers would be Marv Thompson, hard-hitting senior end, and Joe Partington, little soph pivot.

Thompson's interference-weeding style of play was consistently good for a losing club. Partington made more tackles than any other linesman and never quit fighting. Most consistent backfielder was Ki Eisenhart, sturdy soph fullback. If Eisenhart receives the chance to continue his grid career next annum, he should develop into the league's top fullback.

A list of the figures for the season pretty adequately illustrates what happened. Husker flippers completed 43 of 87 tosses. Ball-packers galloped for 2,093 yards in 483 tries.

With all this bowl fervor rocking the country, we can explain in one round figure why one great grid team gained a bowl bid. One round figure is \$51,206.80 and the team—you guessed it—Georgia.

A press dispatch from Atlanta read thusly: "Rose Bowl football teams are the source of much satisfaction to fans but they come high. The University of Georgia spent \$51,206.84 for athletic scholarships last year, State Auditor B. E. Thrasher reported.

Eight Records Set During Big Six Grid Year

Eight records went into the discard during the 1942 Big Six football season with Missouri directly responsible for two.

Missouri broke a precedent as old as the conference when it became the first team aside from Nebraska to win the loop title two years in a row. Oklahoma, Kansas and Kansas State have each won one title, while Missouri has taken three. The other nine championships were won by the Cornhuskers.

The other record contributed by the Tigers was the most points scored by a single team in a single season—165. The old mark of 151 was set by Missouri in 1941. Single Game Mark.

Oklahoma also broke its own scoring mark, this one for the most points by a single team in a single game—76 scored against Kansas State. Kansas State held another record in scoring, but will take no pride in defending it—having allowed 147 points in five Big Six contests. The Wildcats took the mark from its sister school—Kansas—which had allowed 138 points.

As a conference the Big Six erased four marks, all set in 1941: 31 points a game compared to 28.6; 22.8 points margin over losing teams compared to 22.2; 27.6 points for winning teams compared to 25.6, and a total of 471 points to 429.

Hamilton college's huge indoor hockey rink has sprouted a year-round, 300 yard obstacle course patterned after similar facilities at army camps and navy stations.

New students at Bluffton college include a graduate of the University of Paris and a Japanese transfer student from the University of Washington.

PhiGams Whip Sigma Nu's For Volleyball Top

By virtue of defeating the Sigma Nu's Wednesday evening for the 1942 I-M volleyball championship, the Phi Gams climbed within five points of the ATO's in the race for the Jack Best trophy. The ATO's kept in the lead by taking third place honors in the current volleyball season.

The Phi Gam netsters advanced to the finals by defeating the ATO men in semifinal play. Sigma Alpha Epsilon fell before the runner-ups, the Sig Nu's, in the other semifinal match.
