BY MARY LOUISE GOODWIN.

The cold spell that hit the middle west last week seemed to have centered right here on the campus, and more especially on the little girls who were wearing Delta Upsilon pins. Yes, it was a cold wind and it blew four pins right back where they came from . . . Over Delta Gamma way Julie Frazee sent back to footballer Marv Athey the pin which she has worn ever since last year but there's still lots of hope there because they're still going very, very steady. And then Jessie Moore is supposed to have sent her pin back to Leonard Dunker too but she denies it all, so maybe that's just a false alarm.

Back also went Leonard "Firechief" Finnigan's pin which he turned over into the keeping of Mary Walters, Dorm so recently. Lastly, Kappa Dolly Clinton sent Frank Maroney's badge to him with the condition that it was a two week trial during which she and he would date freely.

They "Do'ed it."

Usual Monday night pastime—candy and cigars went to the Alpha Chis, AOPis and Betas this week . . . Sweets at the AOPi house were furnished by Betty Jean Wagerman who passed them by way of announcing her approaching marriage to Victor Kremer, army man the 24 of Dec. . . . Alpha Chi Myrlidene Buller and Beta Bill Arnot did the honors at the Alpha Chi-Beta treating. Some fun say the Betas, in fact so much fun that the boys stayed over time to sing to the sisters.

And while we're speaking of Betas we might pass on a rumor we heard in the Crib today in effect, Justin Berger left his pin behind him on home town sweet heart.

Snow Tubbing.

Kappa Sig actives decided that it was high time Jim Evinger came across with smokes so they took the situation in hand and gave Jim a good old fashion tubing in snow . . .

Ruthie Iverson, Tri Delt of last year and Kurt Ralston, Sigma Nu are taking the final step and being married in Lincoln today.

Back from the army for a few days to see Palladian Maxine Thompson is Harold Alexis.

Party Facts.

And now for a few facts and figures on the Mortar Board party . . . Triple Delt Betty Gaper is conveying Dick "Baby Doll" Dresden, ATO in a baby buggy, while June Griffen will clamp a pair of ice skates on Harold Hungerford, Delt and glideover to the party.

The visa versa ball is not the only affair on the social docket for the week end. Don't forget the Beta pledge party, the Corn Cob dinner dance, the Theta house party, and the Gamma Phi dance.

Honors . . .

Principal speaker at the dinner was Dr. Charles H. Patterson, of the department of philosophy, who spoke on "Philosophy in a Challenged World." His subject concerned the philosophical attitude of present day students and their consequences.
