WHAT AN \$18.75 WAR BOND WILL BUY

Most people don't know it, but the smallest of America's War Bonds will buy enough fuel oil to enable one of our destroyers to cruise 37 miles in

Or \$18.75 will just about buy an 81 millimeter trench mortar shell to send to our troops in Northern Ireland, or to help General MacArthur blast the Japs out of some fortified position in the Far East.

And for you and your family? Well, here is just a suggestion. You may wonder what this picture of a little girl is doing in an advertisement filled with guns and bayonets. This little girl is nine. Ten years from today your \$25 could look as big as a million dollars to her.

For all this, your country asks that you lend 10 percent of your salary-that everyone, every pay day, put this amount into War Bonds. Can you be counted on to do your part?
