Give 'Em a Hand They're Pulling For You!

Send our fighting forces guns, tanks, planes, ammunition—weapons to get this war over and done with! One 25c War Stamp buys a dozen bandages, an \$18.75 Bond buys a field telephone, a \$37.50 Bond buys one wall tent, and a \$75.00 Bond buys one complete field range. Let our men know you are behind them—invest at least 10% of your pay every pay day in War Bonds and Stamps—they're the best bet you ever made. You can't lose with them!
