BY MARY LOUISE GOODWIN.

As you good people yawn into the atmosphere of a genuine lull in activity, we Ragmuffins still retain enough zip to reach into the ether and grasp enough news for a col-yum. . . maybe. Exams are coming, strained expressions commence to fill hitherto happy pans, and we're wondering just how many of our laddies will be around to gladden co-ed hearts next semester. But on to the news of the day. . .

Pledges over at the Gamma Phi house decided that they had played around long enough and it was time to settle down so as of Monday three of them did just that. The three new additions to the steady list are Carroll Lea Anderson, Pat McEllis and Virginia Kousil who are dating Sig Chi Herb Groat, Beta Dick Novotny, and Kappa Sig Bob Von Sagron respectively.

**Congratulations.**

Congratulations to the new Phi Psi actives who donned their pins Saturday eve. Cigars were the order of the evening when Tom Dredlie of that house passed them while Tri Delt Frances Breed handed out candy.

Alpha Phi Marg Hanks is wearing a diamond pinmate Jim Stevenson, SAE from Northwestern. Sister Dorothy is no longer going steady with Phi Gam Howard Mengshol. And while we are over at the Alpha Phi house we mustn't forget to mention the fact that Bob Hyde's Alpha Sig pin which Lois Christie has been wearing these past few months went back to him again, and Lois was cooking in the grill Monday with Tau Bob James.

Toni McQuiston and Becky Wait two of the Thetas with the Christmas diamonds have set the date for their weddings as some time early in February. DG Barbie Hahn has also set the date for her approaching marriage to Beta George Cockle. It will take place in about three weeks.

**Things Are Cold.**

Guess the ring that Bob James, ATO gave DG Helen Johnson really didn't mean so very much because things are pretty cold in that league now.

Elmer Sprague, campus sage, is escorting Maxine Lynn of the dorm to the French movie tonight. Seems as he may be getting some pointers on how to make love the French way. . . A little late, but Virginia Samsel is wearing Les Chaffin's ring.

Congratulations to the six new Kappa Delt actives. Joan Carrahar, of that house, is wearing diamond third finger left hand from Ray Shraider, home town flame.

(Continued from Page 1.) seniors may be recommended properly to the university for admission prior to their having met their high school requirements for graduation.

Several students who are not high school graduates but who are qualified, have been accepted for second semester schooling at the university, in registration which now is under way. But in admitting capable non-high school graduates for study at the university, standards of admission aren't being lowered. They are being "streamlined" and geared to the war effort Rosenlof said.
