Thirteenth Ball Will Upset Custom Set This Year For Charter Day

Proms In Review

MAR

For the first time in its history the Junior-Senior Prom will be held in February. This year the gala affair, which customarily closes the university winter formal season, will be held on February 15-Charter Day.

The Prom is one of the several traditional all-university parties held yearly. For many years all arrangements were under the supervision of the Junior-Senior Prom committee, but for the past two or three years the Innocents have taken over the administration of the party.

First in 1930.

According to the Cornhusker, the Prom was first held in 1930. That year the party was given in two ballrooms at the Hotel Lincoln with the College Club band of Omaha and the Collegians of Lincoln furnishing the music. The two ballrooms were connected by a covered runway and the music was interrupted frequently by acts of entertainment.

Mildred Orr was presented to about 450 couples as Prom (See PROM, Page 2.)
