

Party Line

The most popular place on Ye Old Campus the past couple of weeks has been Library Hall but now it can settle back into the customary groove for four months receiving only the faithful few whose steps wander in that direction more than once a semester.

Plenty besides exams, harried students, and smug professors happened since last your roving eye scanned this column... Take for instance the pin hanging of DG pledge Maddy Haecker and Beta Ernie Smithers. His Beta badge hangs beneath her DG pin and on her left hand she wears a diamond which a certain flying lieutenant gave her last summer. Maddy explains it all by saying "it doesn't mean anything; we're just friends." Now the question is who is the friend—Ernie or the Lieutenant, both, or neither.

More Diamonds Sparkle.

Fern Bergren, Alpha Xi, was the lucky recipient of a diamond from Phi Gam Claude Wright to celebrate the anniversary of their pin hanging... Another girl with a smile as bright as the diamond she now wears on third finger left hand is Kappa Shirley Khyn. KS Jim Evinger is due in the army quite suddenly so he gave Shirley the ring to definitely sew everything up.

The path between the Beta House and the nearest Army reception center is getting to be a well worn one. John Anderson, Homer Sheridan, and Kenny Peters all leave within the next two weeks.

Delta Delta Delta Establishes Women's Scholarship Fund

. . . Juniors, Seniors Apply

Kappa chapter of Delta Delta Delta has announced the establishment of a war service scholarship fund for women available at the University of Nebraska.

Members of the local committee on applications are Miss Jean Hazen, chairman, Mrs. J. P. Colbert, alumna, Dr. C. H. Oldfather, dean of arts and science college, and Dean Verna Boyles, dean of women.

"Women hold the key to successful prosecution of the war effort today, with their success dependent upon the speed which they can be educated and trained to fill vital jobs left open by men," said Mrs. E. E. Refshauge, chairman of the local committee to raise funds. "This new project, which will be made in the form of a gift, not a loan, has been

set up to enable worthy junior and senior women students to finish their education."

The scholarship will be available at once on the University campus, and it is open to any

qualified junior or senior woman. Women students who are citizens of the United States, doing good work in useful fields, who are having difficulty finishing their education because the war has upset their financial arrangements, may apply to any member of the committee for an application blank. When the local committee has passed upon an application it will be sent to the administrative chairman of the fund for final action. The gift will be sent direct to the successful applicant.
