See this, NU? . . . Menke Ready For Second Husker Fray

OLATHE, Kas., Feb. 3.—Bill Menke, rangy center of the U. S. Naval Training Station's basketball team, was an All American selection during his college days at the University of Indiana. He scored 15 points to lead his mates in their first start against the Nebraska Cornhuskers.

A native of Huntingburg, Ind., Menke is a boatswain's mate second class. He is assigned to the recruit training department.

Bill holds the all-time scoring record at Indiana and was among the Big Ten's first five scorers in each of his three years of varsity basketball.

Alternating at center and forward, he paced the Hoosiers to one of their most successful campaigns in 1940. Altho beaten by Purdue in the Western conference pennant chase, the Hoosier dribblers went on to win the national collegiate championship at Kansas City.

All Big Ten.

In addition to All-America honors, Menke was named on the All-Western conference team and won the Balfour award as Indiana's outstanding basketball performer.

Bill also won a track monogram at the Bloomington school, where he competed in the 220 and 440-yard dashes. He was graduated last June with the degree of bachelor of science and served as an athletic instructor at Culver Military Academy before the Navy ordered him to active duty.

Saturday night will find the Cornhuskers on the firing line here, hoping to stop Menke.

Short Drills Set For OU Club

NORMAN, Okla., Feb. 1.—Altho Oklahoma surrendered its third and fourth football coaches to the nation's physical fitness program last week, Head Mentor Dewey "Snorter" Luster, an artillery officer in the first World war, has announced an abbreviated spring football practice starting Feb. 8, weather permitting.

Orville Tuttle, burly 30 year old Sooner line coach in his first season of coaching here last fall developed four Oklahoma linemen named on the Associated Press's all Big Six team, End Dub Lamb, Tackle Homer Simmons, Guard Clare Morford and Center Jack Marsee, has accepted a first lieutenant's commission in the marine physical unit and will report within a few days.

Jack Baer, 28 year old assistant freshman football coach who also developed strong Sooner baseball teams, has been commissioned an ensign in the navy's physical fitness program and reports soon for training at Chapel Hill, N. C.

Previously Oklahoma had lost Lawrence "Jap" Haskell, her athletic director and line coach, and Frank Crider, freshmen football mentor, to the navy's physical fitness set-up and Scout Guy Warren to the marines. Haskell is a lieutenant-commander stationed at Jacksonville, Fla. Crider is a lieutenant (j.g.) assigned to Iowa City, Ia.

Towels, Towels, Cry of Laundry

AMES, Iowa, Feb. 2.—Think you are busy? Then take a look at the plight of the college laundry at Iowa State College.

In normal times the laundry handles about 74,975 towels a year for the Department of Physical Education for men. At the present reading, with the year less than half over, 69,000 towels have been laundered for the department as a result of increased enrollment in the new physical hardening program.

Service Call Will Deplete Cornhuskers

Cornhusker football coach, Glen Presnell is slated to face a very acute manpower shortage when he calls NU footballers to spring practice next month.

As figures released this week revealed that 28 squadmen are involved in the army, navy and marine reserve program with only the date of their actual induction into service units unsettled.

His coaching staff already stripped of line mentor, Elmer Holm, who is headed for the United States coast guard. Presnell will probably be without the service of Marvin Athey, Joe Byler, Bob Cooper, Charley Duda, Ki Eisenhart, Jack Hazen, Roy Long, Bob McNutt, Fred Metheny, Gene Wilkins, Bob Gillaspie, John Peters, and Newman Buckley of the reserve officers' training corps. To the army reserve will go Forrie Bachman and Melville Chaloupka, with Howie Debus, Dick Thompson and Herb von Goetz in the navy.

Classed in the same category are Joe Partington, Vic Clark, Dwayne Domeier, Alvin Grubaugh, Ed Nyden, Hank Reichel and George Wright in the marine reserve, plus Harold Hungerford already in the army air corps.

Did You Know That . . .

More than 400 members of the University of Minnesota teaching and research staff, counting all ranks, are absent in some form of military or war-related service.

Dr. Andrew Leon Harvis, associate horticulturist at Ohio agricultural experiment station, has become assistant professor of pomology at Cornell State college of agriculture.

Dr. Donald Bertrand Tresidder will become president of Stanford university Sept. 1, succeeding Dr. Ray Lyman Wilbur, who will continue as chancellor.

More than 100 Texas schools have organized victory physical fitness clubs under a program sponsored by the University of Texas interscholastic league.

Prize Frosh Scorer Succumbs to Army . . . Curry Led Frosh

Coach "Chili" Armstrong's frosh cagers lost their leading scorer, Jerry Curry, last week when the Sioux City flipper left for the army.

Curry had contributed 38 points in the four frosh games to date. Next high scorer is Dick Thompson with 27 tallies.

Latest frosh victory was over Phi Gamma Delta, 44-37. Schlesiger and Dean tied for scoring honors with eight points while Don Anderson, former Benson all-city ace, led the Fiji team with 14 points.
