ATO's, Fiji's Win 'B' Games

... Tau's Champs

Alpha Tau Omega, defending class "B" basketball champs, started the defense of their crown in good fashion by nipping the Beta Sigs 7-4 last Wednesday evening. The champs broke a four all deadlock during the final minutes of play for the victory.

Phi Gams, 38; ZBT, 1.

Ledger scored 14. Sawyer tossed in 10 as the Phi Gams rolled over a much inferior ZBT five 38-1. Jule Cahou saved the Zebes from a complete whitewash when he made a free throw midway in the first half. The winners led at half time 24-1.

Sig Eps, 18; SAM, 3.

After holding the Sig Eps on even terms during the initial half, the Sammies faltered the second

half, dropping the game 18-3. Wendt was high point man for the winners with seven. The Sig Eps led at the half 4-1.

DU, 12; Farm House, 4.

K. Kratz tossed in eight points to lead the DU's to a 12-4 win over the Farm House.

Delta Sigs, 14; SAE, 12.

In the roughest game of the evening, the Delta Sigs stopped a SAE rally just in the nick of time to garner a 14-12 victory. After the winners had piled up a 12-4 intermission lead, the Sig Alphas led by Garey rallied but were two points short. Morrison tossed in six points for the winners, Garey had seven for the SAE's.

Phi Dets, 13; Sigma Nu, 7.

After leading 10-4 at half-time, the Phi Dets took things easy for the rest of the game and came out the winners over the Sigma Nus 13-7. Rodney Smith led the winners with four markers.

Cinderites Not Favored Saturday ... Unlike '42

BY HENRY FISHBACK.

Nebraska's depleted band of cinder cohorts—defending Big Six spike champions—depart from Huskerland this morning bound for Columbia, Mo., where they will open the '43 dual meet campaign against the strong Missouri Tigers Saturday afternoon.

Ed Weir's graduation-war-ripped squad boasts but a remote chance of whipping the Tigers who swamped Kansas State last Monday eve 74 to 20.

Said Weir concerning the track-fest, "Missouri possesses too much all round strength and will score well all the way along," a comment which depicts the opinions of experts and fans alike.

Several individual duels should blossom forth to highlight the festivities. Vic Schleich, Husker weightman collides with Missouri's Aussieker, Tiger shot champion in one close battle; Howie Debus will mix with Blackwell in the pole vault; and Bill Brogan and Johrde vie with Jo Raylo, Tiger miler in the distances.

Brown Favored.

Husker Al Brown is geared for a first and possibly meet records in the quarter-mile and 880 yard run but aside from that, and chances of Huskers in said duels, experts predict near clean sweeps for the Missourians.

Thunderbolt of Coach Chauncey Simpson's Columbia squad, sophomore Maurice Alexander, who whipped up 15 points against Ki-State, is geared for firsts and new records in hurdle competition Alexander, who has ran the highs in 7:5 and the lows in 7 flat, will be backed in the scoring column by Owne Jogerat and Bob Steuber in the sprints, and Raylo in the distances.

NCAA Tourney Scheduled

... For March 30

COLUMBUS, O. Feb. 11.—March 30 is the date that has been set by the National Collegiate Athletic Association for the playing of the fifth annual basketball championship in Madison Square Garden, New York.

Kansas City's Municipal Auditorium will be the scene of the western playoffs on March 26 and 27. The eastern playoffs will take place March 24 and 25 on the Madison Square Garden's maps.

Coach Harold G. Olsen of Ohio State, who is the tourney chairman, said that runnersup of both the western and eastern tourneys, would meet for a consolation prize.

Committees from eight districts, four east of the Mississippi and four west, will select the outstanding team in their area to play in the preliminaries.

Bobby Back

Courtesy Lincoln Journal.

Drafted shortly after he won the national collegiate mile title (4:11) last June, Husker Bobby Ginn stored away his spikes awaiting the day when once again he could run. The time arrived a month ago when Bob received permission from his company colonel to compete in the national AAU mile race in New York's Madison Square Garden late this month.

Game Time: 8:00

Opening whistle for the Kansas-Nebraska cage mix tomorrow night is 8:00. Largest crowd of the current basketball season is expected to flood the bleachers.

Bobby 'Trains' On Honeymoon

... It Says Here

Bobby Ginn, star Husker trackster and national collegiate mile champion last year, writes from Stinson Field in San Antonio proaching national AAU mile in where he is training for the ap-Madison Square Garden.

"I realize the great advantage I have of being able to keep in shape. I feel I am fortunate and am certainly going to do my best for al they are doing for me. I have been having trouble with my right hip. It is caused by a misplaced vertebra. I miss Dee's putting it back in place.

4:32 in Rain.

"I sometimes have to go several hours before I can find some one to crack my back for me. But then it is released immediately upon doing so. I ran a 4:32 mile last Friday in the rain and a 10:09 two mile in rain and wind.

And then a romantic note: "I did get married last Sunday. We had a swell time on our honeymoon tho I had to work out for track every day that she was here. My wife has to finish school this term, then she is coming down to live with me here."

Bob closes with the hope that he can return to school second semester next year. The letter was sent to Husker cinder coach, Ed Weir.

"Us, Inc." Gives Manacles McCurdy Loads of Trouble

AMES, Iowa, Feb. 11.—If Guard Bob McCurdy of Oklahoma never sees "Us, Inc." again he may be able to regain his "Manacles" nickname.

Ray and Roy Wehde, twins from Holstein, gained a wide high school reputation as double trouble on the court. As Iowa State sophomores Monday night they had a look at the man Sooner fans said couldn't be scored on.

McCurdy was to guard Ray, plays center, and in the first half of the game Ray scored 12 points.

Send your beau an Arrow!

The perfect Valentine gift is an Arrow White Shirt.

First off, Arrow White Shirts are about the neatest ever made. The "Mitoga" figure-fit sees to that (curved waist, sloped shoulders and tapered sleeves).

Then, Arrow makes a collar to flatter every face. (We'll help you pick out the one that will suit his face best!)

What's more, Arrow White Shirts don't shrink out of fit. They have a Sanforized-label—shrinkage less than 1%.
