

Horse Sense

By Norris Anderson
(Sports Editor)

Unless all signs and omens fail, Cornhusker ranks will be benefited in 1958 by entrance into varsity football of a blond, line-busting halfback.

We speak naturally of the honorable Danny, youngest sire of Coach Glenn Presnell. Now three years old, young Danny already shows signs of inheriting his dad's fine physique. He also possesses the Presnell grin.

Danny can be seen at any home Cornhusker basketball fray, resplendent in a diminutive "N" sweater. Danny's dad explains the finer points to him from the Presnell family box—beneath the big time clock on the Coliseum south wall.

See you in '58, Danny!

"What's that?" boomed the loud voice from the rear, "Looks like a victim of Bright's disease." Little Joe Ridgeway, high scorer with 13 points in the recent K-State-Husker cage mix, had just trotted onto the Coliseum maples.

We still can't drive this tiny fellow Ridgeway from our thoughts. If a more unoffensive and spindy gent ever crosses Husker maples (Dunker doesn't count), we want a first-hand view.

Phi Gams Click During Second Half

... Beat Deltas

After being stymied during the first half of play, during which they managed to pot only nine counters, the Phi Gams began clicking during the final period to overcome a scrappy Delt five, 21-6, in Thursday evening's opener.

Playing without the services of keymen Al Bloom and Rosenstock during the first half the Deltas managed to give the defending champs a good game with the intermission score only favoring the Phi Gams 9-4.

The final period found Ned Nutzman and Don Andreson hitting to give the winners their wide margin of victory. Nutzman and Andreson gathered eight and six points respectively.

Phi Deltis 35; Sigma Nu 16.

Phi Delta Theta's smooth cage machine made it three wins in a row by dumping the Sig Nu's 35-16. Vince Cutshall led the winners with nine points, all in the first half. The winners held a half time margin of 18-6.

DU 22; Alpha Sigs 16.

Dean Kratz kept the DU's in the running by hitting ten points to gain a 22-16 win over the Alpha

Sure Thing!

BY GENE SHERMAN,
(Intramural Editor.)

Phi Gamma Delta now leads League One all by themselves since the Delta fell by the way. In order to clinch the League One championship, the Fij's must win over the thrice beaten Delta Sig

Sigs. Foy was high for the losers with five.

Betas 17; Sig Chis 7.

Beta Theta Pi's defensive minded cage crew easily stopped the Sigma Chi threat 17-7. "Scoop" Dinnis counted four markers to pace the Beta's.

Kappa Sigs Win.

Tangeman dumped in six points to keep the Kappa Sigs in the unbeaten class as the AGR's fell 15-3.

SAE 17; SAM 15.

With the score tied at 15 all, Roger Garey hit with a pivot shot to give the SAE's a 17-15 win over the Sammies. The SAE's then froze the ball for 45 seconds and victory.

Bobby Bramson single handedly kept the SAM's in the ball game by netting 11 of the 15 points. Bramson's eight points during the first half gave the Sammies a 12-7 half-tie lead.

In other games the Delta Sigs downed the ZBT's 12-8, Alpha Tau Omega nipped Xi Psi Phi 13-12, and the Farm House rolled over the Sig Eps 14-4.

Cornhuskers Top Mizzou Five, 56-50

By Henry Fishback.

Swiftly counter-attacking on a brilliant second half outcourt basket barrage, Ad Lewandowski's Scarlet bucket brigade rallied from a first canto retreat to whip Missouri 56 to 50 before 4,000 screaming casaba fans on the coliseum hardwood last eve.

Forging a tight man-to-man defense the Husker paralyzed the Tiger offense much of the second half and ripped the mesh for 37 digits themselves in moving into third position in Big Six standings.

Elson Red Hot.

Kenney Elson's and steady "Moxie" Young's uncanny marksmanship from far out provided N. U. spark. Elson dunked in 14 digits and Young looped in 11.

John Thompson hit from the field to ignite the second half fireworks, with Young and Heinzelman hustling in two goals apiece and Fitzgibbon scoring from the foul line to make N. U. to net a 32 to 32 deadlock with the stanza five minutes old.

Missouri's Jenkins and Austin counter-sank one goal apiece for 37-33 lead but Heinzelman, Fitzgibbon and Cassidy fired again to net the tilt. Nebraska's Elson then went red hot from the side with three successive scores and Young tallied as the Cornhuskers scored nine consecutive digits booming into a commanding 49 to 39 lead never relinquished. The Tigers pulled up in closing seconds on Jenkins and Garwitz scoring but Cassidy's and Brown's hoop savvy put the affair on ice for the Huskers.

Huskers Surprise Wildcats

... Win 66-38

Slamming two events and winning four more, Ed Weir's Cornhusker track and field performers regained a portion of the prestige they lost at Missouri hands last week by thumping Ward Haylett's Kansas State tracksters, 66 to 38, beneath the east stadium Saturday afternoon.

Long-geared Al Brown posted the top Husker timings of the day in winning the 440 and 880 events. The former Omaha Benson speedster brushed aside his supposed "equal" — Upham — to score an easy 51-flat quartermile victory. His halfmile timing of 2:00.7 was less than a second from Bobby Ginn's 2:00 record.

Al Zikmund, only recently recruited for cinder duty, was the other top Husker scorer. "Zik" breezed through a fast 6.4 60-yard dash victory, took second place in the broad jump, and tied for third spot in the high jump.

Tossing the iron pellet three times past the 49-yard mark, Vic Schleich had things all his own way in his pet event. Howard Debus' 46-1 second-place toss was his top heave of the campaign. Eisenhart placed third to give the Huskers, as anticipated, a sweep in the shot event.

Other event Ed Weir's surprising tracksters swept was the high-jump, perennially a Husker weak event. Doane transfer Dick Petring leaped 6-1 to tie the Wildcat-Husker duel record, Pat Abbott tied with Zikmund for second laurels.

suits, suits
