### Big Six Addenda . . .

A three-hour mathematic stint, plus a glance into back Big Six annals, allotted us the information printed below.

We requested every Big Six track mentor to give us his top performer and top time in each event and thus compiled our comparison summary. On basis of the summary, Missouri will annex the meet Saturday with 53½ points.

Nebraska and Oklahoma are tied for second spot in comparative performances with 42½ tallies each. Kansas State will land fourth berth with 25½ points, followed by Iowa State with 21 and Kansas with 18.

## Weirmen Outscore I-Staters

AMES, Iowa.—Versatile Howie Debus and Al Zikmund, iron-horse University of Nebraska spike artists, collected seven wins together here on Williams field Saturday afternoon to spark their Scarlet mates to a 70½-59½ dual meet victory.

Zikmund whipped up firsts in the century, 220 yd. dash and broad jump together with a tie in the high jump for a sum total of 20½ points. Debus set a new discus record with a toss of 149 ft. 6 in., galloped off with the javelin and tied mate Don James for pole vault honors. Howie's platter toss bettered the old mark of Ray Prochaska which stood at 146 ft. 8 3/4 in.

#### Breaks Ginn Mark.

One other record was wiped off the William's field record boards when Lee Richardson, Cyclone runner, erased Bobby Ginn's 4:28 mark with a 4:27.8 performance.

Shot put triumph went to Victor Schleich, who bested Iowa's touted Dick Bliss in a warm-up for Saturday's Big Six championships. Pole vaulter Don James recorded an 11 ft. 6 in. pole vault performance to tie with Debus.

It was the dual meet season windup for Ed Weir's Scarlet forces who put their Big Six outdoor title on the block against Big Six schools Saturday afternoon in Memorial stadium.

#### Zikmund Bright Spot.

Brightest light of the Husker cause was Al Zikmund's individual performance which supplied the punch which carried the Huskers to victory.

## Wildcats Prepare Fieldmen

#### . . . For Loop Meet

Manhattan, Kans., May 1 (Special to the Daily Nebraskan)—Mentor Ward Haylett is busy these days, conditioning his Wildcat track and field squad for the oncoming Big Six derby in Lincoln next Saturday.

One of the best setups of the State aggregation lies in the mile relay team which won the Colorado Relays title last week with time 2:56.6. Members of the squad competing with K. U. are Merrill Rockhold, Bill Payne, Jim Johns, and Jim Upham.

Trials this week showed that the Manhattan college men were rounding into shape for the coming meet and the conference conclave which will be held next week at Lincoln.

## Sooner Freshmen May Tip Huskers for Runnerupcy

BY HAROLD KEITH.

NORMAN, Okla., May 1. (Special to the Nebraskan)—Oklahoma's kid track and baseball squads have been going thru the Kasserine Pass phase of their varsity careers this spring but should be all the tougher for it in the future.

Composed of an all-freshman infield, two freshmen outfielders, a sophomore catcher and nearly an all-freshman pitching staff, Coach Howard "Splash" Spangenberg's Sooner baseball team has won only two of nine games this spring, absorbing unprecedented 2-14 and 3-10 drubbings from the veteran Oklahoma Aggies, their hottest intra-state foe.

Last year Oklahoma's great sophomore club defeated the same Aggie team four times in a row, 5-1 and 5-1 at Norman and 7-5 and 11-6 at Stillwater, then

marched off almost intact to war and jobs in defense industry, leaving the Sooner kids to absorb the Aggie wrath this spring.

A similar situation prevails in track. Such promising Sooner thinclads as Plato Andros, Laddie Birge, Harold Bellieu, Burton Cossey, Walter Dalton, Dee Sanders, Bob Hodges, John Sharpe, Elmer Heard, Owen Roof, Gordon Holland, Willis Johnston, Charles Chancellor, Rudolph Carney, George Koettel, Arch Bradley, Leroy Esadoah, Lonnie Chapman, Hoyt Burns, Joy Wells, Fred McKenzie and Warren Lehman, all of whom were eligible this spring, withdrew from the university and jumped into the war.

As a result the adolescent Oklahoma track team this spring has absorbed almost as many beltings as the nationally famous Knox football team of several years ago. They scored only five points in the Big Six Indoor meet, lost two dual meets to the North Texas Teachers of Denton and won only two first places of 15 in the recent Nebraska-Oklahoma-Oklahoma A. and M. triangular.

However Sooner coaches see a lot of good in all these trimmings. The young Sooner athletes are acquiring a world of priceless seasoning along with their defeats. If they are still in competition next year, or return after the war, they are bound to be a far more competent outfit.

Like soldiers, sailors and fliers, athletes learn far more from their defeats than from their victories.

## Great Lakes Loses Men

Two more athletes from the Great Lakes naval training station are on their way toward battle stations against axis ships.

Sam Harshaney, catcher on the Bluejacket 1942 championship baseball team and Edward Norris, full back on the title Great Lakes football squad, have received commissions and will be assigned to sea duty immediately upon completion of indoctrination courses at eastern schools.
