

# Party Line

BY KAY KING.

As Sadie Hawkins won the title of best picnic date last fall, we thought perhaps you fine male readers would be interested in knowing who is acclaimed best picnic date for spring of 1943. Therefore, with your permission, we will start a contest, which closes tomorrow at 5:00, to select this little (?) queen.

Candidates for the honor are: June Griffin—cute little brunette (as if you didn't know) of the Tri-delt house. She was last seen with Phi Delt, Demmie Cole at the farewell party.

Pat Catlin—another brown-eyed brunette from Kappa territory. This peppy and fun-loving gal is one of the few who have escaped steadies and pinnings recently and has been dating Norm Williams, Sig Alph.

Mary Lee Tomlinson—a blond but definitely! It's hard to say who she goes with as she has been seen with almost every eligible bachelor on the campus but the latest was King's and "Doc" (of the lilac-catchers) Yates, DU.

"Corky" York—perky red-head from the Theta domicile with a flare for excitement. This queen was escorted by Jim Weisner, of the Sig Alph Weisners, Sunday.

Janet Krause—over DG way, this dark-haired girl catches the eye when the fellows are looking for picnic dates. Lately, she has been seen with Bucky Meyers, Phi Gam.

Betty Jo Leadley—last but far from least is another brunette, but this time that popular Alpha Phi house. "BeeJo" has been seen with a variety of campus "free" men but the latest is Tut McKee.

Thus ends the list of candidates for "picnic gal of 1943" so turn in your votes to the Rag office and watch tomorrow's edition for the winner.

Before we forget that pins even exist we remind you that another eligible bachelor is on the free list—this time Bob Henderson, Sig Ep, who no longer is pinned to Mary Miles of the Tri-Delt house. Flash: They just got re-pinned.

### Synonymous.

With every unpinning comes a pinning and so comes news of Dorothy Mohr, Alpha Xi Delta, who is wearing the Phi Gam pin of Jim Wright. "It's friendship," they say.

That Edwards couple, Marilyn and Johnny, have linked their Kappa and Beta pins (they're not brother and sister).

To coincide, we find that Jane Jordan, Alpha Chi, is no longer wearing the Sigma Nu pin of Johnny Dean.

To get to a more binding agreement, there will always be marriages to take up space in a society column. Jill Smith spent her weekend getting married to Ernie Smithers, Beta, while Ralph Fox made Barbara Rehberg his bride. Many happy returns, and all that!

### Ring and Sweets.

Forewarning the candy they passed to Palladians Monday night, Virginia Mutz received a diamond from Hugh Stuart last weekend. Roma Bebe took same from Jim Brogan, both boys of law college.

By mutual agreement, Rod Smith, Phi Delt, and Jeanne Larsen, Alpha Chi, are no longer going steady.

## Alpha Phis Give War Check . . .

Courtesy Lincoln Journal.

Polly Petty gives a check for \$200 for the Alpha Phi war nursing fund to Mrs. Ralph Strader, national vice-president of the sorority, while Shirley Heldt looks on. This fund, originated by Alpha Phi International, is to provide scholarships for college graduates who wish to enter the nursing profession. The scholarship is disrepective of a women's fraternity affiliation, and is open to any qualified college graduate. In giving this money, the active chapter saved the money from the funds provided for the Kosmet Klub show and the publication on Nu News. Mrs. Strader was guest at the Alpha Phi house for a few days.
