

Gophers Ponder Husker Game

Huskers Prep For Gopher Tilt

Drilling right up to the last minute, Coach Ad Lewandowski took advantage of every opportunity to whip his Husker squad in shape for the Minnesota game on Saturday. Lewandowski spent Wednesday and Thursday smoothing out his offensive, and putting the boys thru extensive pass defense. Backfield men were especially worked hard on timing, and deception, with much emphasis put on speed. The Scarlet's green squad appeared to have gained a little of the polish that is required by a team using the "T" formation.

Sour note falling on the Husker camp Thursday night was the possible ineligibility of Joe Kessler, second string quarterback, who would replace Ted Kenfield. As Kenfield has been nursing a bad knee all week, much of the Husker strength was built around Kessler. However, it is hoped that some word to the contrary will reach the coaching staff before the team pulls out of the Burlington station at 7:30 on Friday morning.

Coach Lewandowski seems well pleased with the way that his team has come along this last week and feels that "we are as prepared for the Minnesota game as we ever will be." He also feels that the team spirit is high, and without any further difficulties

Church Night...

(Continued from Page 1.)

byterian campus student house at 7:30 p. m.

The First and Second Baptist churches have planned receptions for this evening. Students are to meet at the Baptist student house, 1440 Que st., at 7:30 p. m.

The University Episcopal church is having a mixer party at 8:30 p. m. Reverend and Mrs. L. W. McMillin will greet the students.

First Plymouth Congregational church, 20th and D sts., is holding a reception and party tonight, starting at 7 p. m. Mr. Myron J. Roberts will play and demonstrate the workings of the great organ. Recreation rooms will be opened for roller skating, dancing and games.

Wesley Foundation students from the St. Paul and Trinity area are invited to a roundup at the —O (Bar None) Ranch, located at St. Paul church, 12th and M sts. Keynotes of the evening will be square dancing and a floor-show, starting at 8 p. m.

Methodist students may attend a hill-billy party at Grace M. E. church, 27th and R sts. Mr. and Mrs. Durham will call folk dances, with Ruth Sibley at the fiddle, and Peggy Shelley at the piano. Appropriate refreshments will be served, and the party starts at 7:30 p. m. Warren M. E., 45th and Orchard sts., is having a party, beginning at 8 p. m.

A reception for Christian church students will be held at First Christian church, 16th and K sts., at 7:30 p. m. Informal entertainment has been planned.

MINNEAPOLIS, Sept. 30.—Minnesota's two game football season "in the Big Six" will continue thru the coming Saturday, when the Gophers will meet Nebraska in Memorial stadium. Missouri, also a Valley conference team, played its first game at Minneapolis last week, leaving Minnesota the victor, 26-13.

Nebraska, like Missouri, will come up as an unknown quantity, and probably, also like Missouri, as a better team than the wise ones had been looking for. Missouri played hard, good football and had an effective passing game that produced two scores, neither based on a fluke or interception.

Coach George Hauser expressed his pleasure at the outcome of his first 1943 game, but of principal interest to followers of the

Gophers was the order in which he introduced substitutions once his first string had a fair lead.

Hauser used Dick Leversee and Dick Lee as first substitute ends; Rube Juster and Mike Rapko at tackle; Paul Rader and Fred Madsen at guards, and John Kutschied at center. Into the backfield went Brick Waldron at full and Bill Peterson at quarterback, with Collisson, Baglien and Heeb as halfbacks. Many other substitutes were sent into the game; in fact, the greater part of the entire squad in the last quarter but the men mentioned give some indication of the player Dr. Hauser considers next in line after his starting eleven.

Starters were Lossie at center; Lechner and Graziger at guard; Mitchell and Bunge at tackle; Scheer and Gagne at end, with a

backfield composed of Bill Garnaas, quarter; Chuck Avery and Red Williams, halfbacks, and Hoyt Moncrief at fullback. Moncrief had a good day for himself and Williams and Garnaas starred in all-around play.

Minnesota turned in an attendance record of about 33,000, of whom several thousand were school and settlement house youngsters admitted free.

Following the Nebraska game Minnesota will have an open date Oct. 9 and then will face, at home, the Camp Grant Soldiers before traveling to Ann Arbor to play Michigan Oct. 23.

A new electric pottery kiln, the only one of its kind in Iowa, has recently been installed at Iowa State Teachers college.
