

Muddling Through

With
John C. Bentley

Well, just like I say, this coming Saturday (and every Saturday for that matter) is going to be a hard one to dope. There will be a lot of upsets, winners who couldn't have won the week before, and losers who wouldn't have lost the week before. It's these transfers, and the draft. Let's look and see what the Navy has done to the national football picture.

Notre Dame, facing their toughest opponent to date, will have to go against the Army minus the services of Julius Rykovich and Vic Klubitski. The Irish will also be without the aid of Miller and Bertelli, and this should give the Army a pretty even chance to come out on top.

Purdue, Big Ten leader, was riddled through and through with transfers, and Coach Elmer Burnham will have a dickens of a time rearranging his outfit for the Gopher tilt this Saturday.

The "Wildcats" of Northwestern had a couple of their fangs pulled

when Uncle Sammy called half of the 'Cat backfield into active service.

All of this is tough, but what is tougher is that the opposing teams have been bolstered by the return of regulars, and new men. Other colleges have also sharpened their attacks with new transfers, Iowa State being one of those lucky schools. The Cyclones now have a fine new halfback in Paul Keckley from Pomona, Calif., who should see plenty of action, thanks to the Navy V-5.

Yes, things are certainly humming, and even though it's confusing, it's exciting. Just think, we might even get some sailors here.

Well, there are many things that I should like to discuss with you, but, thanks to the Advertising Staff, and other factions, I will be unable to carry this tete-a-tete any further. Which will probably break your hearts, (God bless you).

Cyclones Plot Campaign

Ames, Ia., Nov. 4.—A 14 game schedule has been announced for Iowa State College for the 1943-44 basketball season. The schedule, approved by the College Athletic Council here today, opens with Iowa Navy Pre-Flight at Ames, Dec. 4. It includes eight Big Six conference opponents.

Still to be added are two games with Kansas State. Kansas State decided only recently to put a team on the hardwood this season, and its schedule is still in the making.

Huskers Sharpen Passing Game for K. State Fray

Speedy Bill Miller Plays in Backfield

Spending most of the week on sharpening up their offensive play, the Huskers prepared for an aerial game this coming Saturday, against the Kansas State Wildcats. They were drilled both on the defense and the offense in pass work, and from all outlooks, the coming game will be a battle of the air-lanes.

The availability of speedy Bill Miller, who had been inducted into the Navy earlier in the week, was a godsend to Coach Ad Lewendowski, as the Scarlet Clan has been riddled by the draft and ineligibility during the past few weeks. Miller, who has shown plenty of flash all during the season, will work in at relief in the backfield, and is a mainstay in the Nebraska passing offense.

Galter, Probable Starter.

Morris Galter will probably start for Kenfield in the Husker lineup, and both of these boys have provided plenty of passing power for the Huskers. Galter, pitching them from the portside, chucked a combination of passes last week, that scored on the Missouri Tigers, and has looked good in practice all week. With Kenfield and Galter passing that pigskin

around, the ends, McDermott and Gissler and Schnieder should have plenty of work cut out for them this Saturday.

Sooners Look For Victory Over Kansas U.

NORMAN, Okla., Nov. 4.—For the first time in 41 years, Oklahoma can forge ahead of Kansas in number of football victories during their lifetime warring when the two schools clash in their 41st annual game at 2:30 p. m. Saturday at Owen field here on Homecoming Day.

Oklahoma's accomplishment of defeating Kansas the last five years has lifted her string to 18 wins over Kansas teams as against 13 Kansas wins and four ties. But it has been a long chase for the Sooners. Kansas, coached by Dr. Bert Kennedy, Lawrence dentist, complicated the Oklahoma pursuit by winning the first eight games of the series that began back in 1903.

Although the Sooners will be favored to trim the Jayhawkers here Saturday, and must if they go into the crucial Missouri clash the following Saturday at Columbia with the Big Six conference unsullied, there is no positive assurance of an Oklahoma triumph.

In only one game this season has Coach Henry Shenk's Jayhawkers yielded a touchdown by rushing, Denver putting over three in the first half at Denver October 1. Since then no team Kansas has met, Iowa State (which scored on Oklahoma Saturday with a scrimmage run), Washburn, Nebraska or Kansas State, has scored through the Kansas line.
