

NU Takes Second Win

Jacupke, Hill, Kenfield Play Outstanding Game

Before a small, slightly rain-soaked crowd, the Cornhuskers twisted the Wildcats tail to the tune of 13 to 7. This was the second conference win for the Scarlet of the University of Nebraska and the third straight loss in conference play for the Kansas State outfit.

A fairly heavy rain soaked the playing field shortly before playing time, but before the game started, it had stopped raining. However, the turf was slippery, and a wet ball and muddy field cost both teams heavily in the course of the game. Two bad punts, due to a water-soaked, and slippery ball cost the Huskers the lone Wildcat tally, and fumbling the same slippery ball, the Wildcats lost two golden opportunities into pay-dirt land.

Closely Matched.

The two all civilian teams were closely matched, and provided the crowd with plenty of thrills, but it was the outstanding line play of Jerry Jacupke, and Bill Hill, plus the accurate right arm of Ted Kenfield, that spelled the difference and led to a win for the Huskers. Both Hill and Jacupke were the outstanding linemen of the afternoon, both making more than their fair share of the tackles and blocks.

Play by Play.

Nebraska kicked off to the Wildcats, and they drove, aided by penalties, clear down to their own 49 before Gus Eager could steal a Wildcat pass, and run it back to his own 40 to begin what turned out to be the initial scoring drive of the game.

Eager took a shuttle pass from Kenfield, and bulled his way to the 42. Kenfield then shot a pass into the flat to Bill Miller, who was playing his last game for the Scarlet, and he got clear down to the Kansas State 49 before being stopped. On the next play, Kenfield tried a quarter sneak over tackle, but the Wildcats were too alert, and he was tossed for a two yard loss. The next play caught the Kansas defense flat-footed, and Kenfield threw a long pass down the middle to Bert Gissler, 6 foot 7 end, who took the ball in on the 35, and outgalloped the defense to the end zone. The attempted conversion was good, and Nebraska went out into the front 7 to 0, with but four and a half minutes of the game gone.

Kansas Punt.

Hill kicked to the Kansas 20, and Killough returned to the 33. Baton, who stood out all day in the Kansas lineup, tossed a shuttle pass to Macon, who found a hole in the left side of the line and went to the 46. Killough then went over center to the 49, Jacupke making the tackle. Macon tried the end, but Hill and Jacupke came up to stop him for a no gain. Baton then attempted a forward pass, but the ball was batted incomplete. Farbian punted a beauty out on the Nebraska 7, to put them in the hole.

Kenfield, attempted to boot a ball new slippery with mud, out on the 13 yard line, and the Wildcats took over on what looked like a sure-fire scoring set-up. However, the Huskers dug in, and on the first play, broke through to upset Farbian for a two yard loss. Macon made it back to the 13 through guard on the next play, with Jacupke making the tackle. Baton smashed his way to the 9 over tackle, before Eager and Jacupke could come up to stop him. Macon carried it to the 5 for a first down, and it looked for sure as if Kansas State was going to score. Big Bert Cissler broke thru on the next play to spill Baton for a yard loss, but was hurt on the play and had to be removed. Macon managed to get down to the 4 before the whole forward wall of Nebraska smothered him. Macon again took the ball, and behind beautiful interference started what looked like a touchdown sweep, but Buzz Hollins broke through from his halfback spot and tossed him on the 2, and ended the Kansas threat.

Seven All.

Hollins then dropped back behind the goal line to punt out of the hole, but like Kenfield found the ball too slippery, and kicked out on his own 18 yard line. Again the Kansans were set up in scoring

territory, and this time the Huskers were not to deny them of their score. Baton, faking a lateral to Macon, drove over the Husker center to the 10 yard line. Macon hit the left side for one more. Baton then went over right tackle to the 8 for a first down, Jacupke making the tackle. Baton flipped a pass intended for Farbian, and Hollins batted it down for incomplete, but interference was ruled on the play, and the ball placed on the 5. Baton went over right tackle to score for the Wildcats, the conversion was good, and the score stood tied at 7 all.

Hollins returned the Kansas State kickoff to the 38. Ten Kenfield went on a quarter sneak that almost turned into a touchdown, but was finally hauled down by the last man on the K. State 33 yard line. Trying another sneak, Kenfield picked up three more to the Wildcat 30, as the first quarter ended, 7 to 7.

Second Quarter.

The second quarter opened with Nebraska in possession of the ball, second and seven, on the Kansas 30. On the first play of the second quarter, Ellyson took a shuttle pass, and went to the 26. Hollins then smashed in usual style to 21 for a five yard gain, but the play was called back on a penalty of 15 yards for roughing, and the ball placed on the 33. Kenfield then flipped a spot pass to Ellyson, who danced his way to the Kansas 10. Eager went off tackle for three more to the 7.

Kenfield went on a quarter sneak around end to the 1 yard line.

Nebraska nearly lost the ball on the next play when Kenfield fumbled, but recovered on the 3. With the fourth down coming and three to go, Kenfield called upon Big Buzz Hollins to deliver, which he did with a straight buck into the middle, that cracked the Kansas State forward wall, as he went over to score. Ellyson missed the conversion, and the score stood at Nebraska 13, Kansas State 7.

The remainder of the first half was more-or-less a see-saw affair, the only scoring threat appearing, when Gus Eager took a short punt, eluded several would be tacklers and went about 40 yards to score, only to have the play called back on another roughing penalty.

Slow Half.

The second half, although slow, saw both teams rolling up plenty of yardage on the ground, and then when getting down into scoring territory, attempting to score, on passes, only to lose the ball to the opponents. Nebraska definitely had a better time of it, though, as the yard stick shows, and missed two more scoring chances than did the Wildcats. Twice, men were standing in the end zone awaiting passes, only to drop them, and muff the score.

Kansas State made a valiant effort to overtake the slim margin held by the Huskers, and it was only through the fine line play of Bill Hill and Jerry Jacupka that the Scarlet thwarted the hard charging bids of Baton and Macon.

Only "Veterans" on the Kansas State Squad

Only returning men on the Kansas State all civilian squad, are these stellar "wildcats" Jim Machem, left, 178 pound end, Phil Lane, center, 210 pound tackle, and Bab Killough, 185 pound quarterback. Here, the boys are figuring out some of the plays the Wildcats used on Nebraska Saturday.

*Fem
Fun*

Another intramural tournament went by the board when the WAA was forced to abandon the bowling tournament because of the shortage of pin boys at the bowling alleys. It seems that war jobs are more attractive to the pin boys, so we'll have to do without a bowling tournament for the duration.

First round table tennis matches are being played off this week. The tournament is planned so that if one round is completed each week, it should be finished before the Christmas vacation.

Nebraska ball practices have been going on this week. The

tournament proper starts Monday. One practice is required of each girl who intends to play on a team.

We heard quite reliably that the road leading to the WAA cabin was very muddy Saturday morning when the YWCA cabinet tried to get back to town after an overnight outing. It was so muddy that the girls had to push their cars by their own might and muscle. Seems that some of them were rather stiff the next day.

The Delta Gamma championship soccer baseball team has challenged the Tri Deltas to a game. The two teams didn't meet in the tournament and, our guess is, that the D. G.'s want to show the Tri Deltas what a truly superior team they have this year.

The hockey club is growing rapidly. Although it is probably too early to make any prediction, no one has been killed yet and the girls are having a lot of fun in their Thursday night games.

Cyc Basketball ATOs Win Squad Cut to 23 Football

AMES, Ia., Nov. 6.—The Iowa State college varsity basketball squad has now been cut to 23 players and drills have gotten under way in earnest for the first games in December.

As a nucleus for his 1943-44 team, Coach Louis Menze has three major letter winners from last year's squad, all of whom are stationed here as members of the college navy V-12 unit. They are Ray Wehde of Holstein, leading Cyclone scorer last year, and his twin brother, Roy, and Gene Oulman of Mason City, defensive rebound artist.

Another major letter winner from last year, Charles Gradoville of Fort Lyon, Colo., completed his V-12 training here Saturday and was transferred to another navy station. The only other man from last year's squad who is now out for practice is Earl Kelso, a civilian from Rochester, N. Y.

From last year's freshman numeral winners, Coach Menze has civilians Leo Schneider of Rock Island, Ill., 6 foot 4 inch center, a brother of Carol Schneider of the 1941 championship team, and Lloyd Kester of Ames, and a V-12 trainee, Jim Myers of Ames.

Notre Dame Licks Army

Striking like greased lightning, the "Fightin' Irish of Notre Dame combined a crushing ground and aerial attack to score in the first four minutes of the Army game at Yankee Stadium in New York. The remainder of the first half, the gallant Army team held off the Irish, and threatened twice themselves, only to lose their golden opportunities through fumbles.

It was the brilliant passing Lujack that accounted for the first tally of the Irish, and sparked the surprising 26 to 0 defeat that Notre Dame handed the Army.

After being held 6 to 0 for the first half, Frank Leahy's green clad wonders, came back impressively to show the 70,000 or 80,000 fans that they were probably the greatest team that the Irish, or anyone else for that matter, ever had. Taking advantage of every scoring possibility, the Irish smashed, passed, and outplayed the Army boys all over the field in the second half, and shortly before the final gun, they pushed across a last tally just for good measure, to make the score: Notre Dame 26, Army 0.

Soldier-students at Clark university, Worcester, Mass., from all over the United States and from Europe as well, form a cosmopolitan group. They hail from 82 different colleges and universities. Included in their Alma Maters are Harvard and Princeton, Oshkosh State Teachers and Upsala, University of Berlin and Vienna's Weinerhandschule.

In one of the finest exhibitions of football during the current intermural football season, the ATO's outpointed a stubborn Sig Chi outfit 12-2 for the intramural football championship.

The game began with both teams showing flashes of scoring power. The ATO's found pay dirt first as Jim Nicola shot a bullet pass to Korf, who took the ball on the Sig Chi 25 and raced the remaining distance for the score.

The next Tau touchdown came shortly after the kickoff, as Dvorak shot a long pass to Jean Puntzen, who stepped across the last white stripe for the second tally. In a short time the half ended with the ATO's still leading 12-0.

The second half proved to be a see-saw affair with the Sig Chi's marking up the only tally in a safety that came late in that period. Martz, Kearney and Bell did plenty to aid the Sig Chi cause, while Nicola, Dvorak, Puntzen and Korf were carrying the majority of the ATO load.

More Games Likely.

The game completed the intramural schedule. However, "challenge games" will probably be played in the near future. Other intramural events are being planned by the intramural managers. Schedules will be announced later.

Officials Urge Students To Make Travel Plans

University authorities urge all out-of-state students planning to go home for the holidays to secure their reservations, both going and coming, in ample time that they may be assured proper travel facilities, and at the same time that they may assist the transportation lines to make proper provisions for carrying for student travel during the holidays.

Students are reminded that the Christmas vacation begins on Wednesday morning, December 22, and concludes on Wednesday morning, January 5.
