Happy day! Hell week is over for the Betas and a few of the boys are still up and about, with dates per usual. Along something of the same line, OCS at Fort Benning is over for many new lieutenants as Phi Gam Ward Freeman, Delta Sig Tom McClandis (seen with Delta Gamma Val Gould), Delt Dick Gellatly (who, incidentally, stopped in Illinois to see Mary Helen Dietrich), John Jay Douglass (with pinmate Ginie McCulla), Howard Shirley (well occupying one Susie Pope's time) and lots more return from bivouacs and things to Nebraska U. And—to those who gripe about our little old university, these returning boys say that the "There is no place like Nebraska" line is no lie!

Of course, it's always good to see returning boys even without commissions. Just ask a few people like Theta "Corky" York who is having a right good time with former Al Casey, AST home on furlough from Kansas State, Sigma Kappa Marion Coombs what with Kenny Greenwood back, and Kappa Mary Verink now that old steady Don Patterson, Sigma Chi, is around again.

Steadies And Not Steadies.
New and neat steady deals: that of Pi Phi Janice Biakeslee and Delt pledge Kay Bumpas; Alpha Phi Shirley King and Delta Sig Bernie Ulrich. Doesn't take some people long to get out of one groove and right into another... now does it? Not on the steady list but seen around quite frequently are Chi O Jean Rasp with ATO Kayo Loudon, Sigma Kappa Doris Frahn with Sigma Nu "Tex" Cole, and Sigma Kappa Lotus Storjohn with Cadet Orville Uthses. Merely coking, one might

see Sigma Chi Bob VanSant with Dee Dunham and Phi Delt Johnny Jones with Pat Banks, or Alpha Phi Lorene Novotny with Larry Sharman, then there's Ed Holt-scherer with Thelma Gee, Joan Stubblefield or any one of many. Rumored that it's simpler to take 'em one at a time, Ed, but it's also more fun in numbers, huh?

On the subject of rumors, what's this about the "private" Friday night party of "some of the boys from Camp Hood" along with Tau boys Jim Nicola, Bill Korff and Gordy Ehlers with dates Alpha Phi Jan Campbell, KKG Miggs Manning and KAT Max Thomas? Oh, to be in on that!

House Parties and Fun.

At the Sigma Kappa house party Saturday night will be Barb Lewis and Meredith Bunnet with AST's Jim Jessin and Kevin Flanagan. More at the Chi O deal will be Midge Sinclair with Phi Gam Roy Long and Jean Cowden with Gene Dixon, Sig Ep. Betty Ruth Dunlap, Julia Rogers and Dorothy Carnahan will be there in full glory with the famous AST trio of Joe Wilkinson (Sigma Nu from Arkansas), Hal Carnes, and Kenny Strickler (Phi Delt). "This six-some seems to be growing progressively chummier," is the news from here and there.

And at the Theta Toyland B. J. Latta, Mary Lancaster and Bobbie Guendal will be playing games with Phi Psi Bill Linscott and ATO's Frank Ellston and Bill Rist. Two bits the game won't be Chinese checkers... And speaking of games, there comes the question of what it will be with Roberta Collins and AST Joe Stynes.

Enough dirt for today but here's a little something: If you're interested in diamonds for Christmas for your mother or someone, try Gardner's Jewelry Company between 12th and 13th on "O." adv. And also, while we're having fun like mad this week end, lets give a thought to the AUF and then something more.

G'bye all...

St. Nick Raises Ned As Campus Decorates

BY HARRIET LILLY.

Jolly old Saint Nicholas is here at last, ready to pile the gifts high—or something!

The crib is a scene of Jack Frost biting the windows, while the barren ground is being covered with large patterned snow flakes, or mud puddles?

Ellen Smith's Hall is brightly decorated with a 13 foot tree with a colorful display of green, red, and blue lights. Large, full greens were hung at the annual hanging of the green party in the court, drawing room, dining room, and the balcony.

Christmas trees light up every part of the campus even to the three and half foot tree in the Nebraskan office. In the lounge of the union is a 14 foot tree, while

the Pan American rooms each have little trees, Winking gaily from the windows of the sorority, fraternity, and organized houses are trees that nature never imagined possible. Well anyway, we can all dream can't we?

Tree Has Comedown.

By the way, that monstrous tree you saw at the Mortar Board Ball has been sold to Ag for greens.

There are always those timely reminders that there are so many days till Christmas, but of course you don't pay any attention to this until two days before. Then there is your neighbor and his cousin who have done the very same thing. HAPPY HOLIDAYS—you end up with one of the biggest headaches you ever hope to have.

All of you good children go

home now with that spirit embedded in your toes. Don't forget to clean out your fireplaces—oh!—that reminds me if you put out your stocking Santa might bring you a handsome ASTP.

Religious Welfare Council Discusses Gift Funds, WSSF

Plea for funds for Christmas gifts to be sent to a Relocation Center and discussion of the WSSF highlighted the Religious Welfare Council annual seasonal meeting held last night at the Methodist Student House.

Plans for a general convocation to be held next semester with Protestant, Catholic and Jewish churches participating were also discussed.

Meditation and pray was lead by Jean Floyd, who is the YMCA secretary.
