

De Paul Five Routs Huskers 55-15; Scarlet Bows to Superior Gophers

Head Defense Man, Lucas, Receives Dislocated Shoulder

BY REX MITCHELL.
A superior quintet of De Paul university completely baffled the Huskers Saturday night before a crowd of 2,000, smothering the Scarlet 55-15. Early in the game the De Paul club opened up with a barrage of angle shots, hitting the hoop from all corners of the floor. Late in the first half, Husker George Lucas, the backbone of the Husker defense, received a dislocated shoulder while struggling for possession of the ball under the De Paul basket. The loss of Lucas was a great hardship for the young Husker squad so early in the season. De Paul surged on to a 34-6 halftime lead, scoring almost at will.

Huskers Rally.
Coming out in the second half, a spirited Husker quintet repelled one De Paul rally after another. However the Chicago club, out-

pointing the Scarlet constantly, coasted to their fifth straight victory in as many starts. After Don Barry and Allen Artman had left the game on fouls, assistant coach Armstrong resorted to his young reserves who played a better brand of ball than the first team. Center Morris Galter was high point man for Nebraska with 5 points.

Gophers Take Victory.
From Chicago the Huskers journeyed to Minnesota where they battled hopelessly against a superior Gopher team. Much like the first two Cornhusker opponents the Golden Gophers secured an early lead and coasted to an easy victory. Here again the two teams played very raggedly denoting lack of experience and inadequate practice. The Huskers, although harshly defeated by all their foes on this first trip, will prove to be a stubborn opponent in the advancing season. Husker Don Barry was the leading scorer for Nebraska, rolling up 8 points. Coach "Lew" Lewandowski was unable to coach the Huskers in the two openers but finally arrived in time to handle the squad at the Gopher game. Due to government priorities he lost his seat on the plane and was forced to take the train for Minneapolis.

ment, Dr. Laase, debate coach, said, "it will be interesting to see what this predominately freshman squad can do. It is our policy to divide the privileges of intercollegiate debating among as many students as possible. This practice debate tournament will be an opportunity to gage the quality of work of which our freshmen are capable."
