

Society . . .

Yesterday was the day, April Fool's, you know—the time for all in that category to shine which means no few people...for instance, there was the whole Rag staff rushing up to the grill to see Willkie and there was an empty booth cuz some fools fooled 'em all...delight, delight...and then there were gals without their fraternity pins trying to make people believe their deals were no more, but we all knew that no woman was fool enough to give up a man once she had one in these war-weary and manpowerless days.

No Joke.

But no joke was the receipt of Phi Gama Ned Nutzman's pin by AOPi Marianna Schoemaker, lucky girl—even tho Ned is in the Air Corps in Enid, Okla...no joke either is the dope that AOPi Betty Ann Bonebright is no longer pinned to ZIP Jim Wegener so maybe we were wrong in paragraph one of this ditty.

One more little pinning job is that of Phi Gam Jack Reece and Delta Gamma pledge Mary Jean Baer—and draw your own conclusions as to whether or not the Fijis are wasting any time day by day...and what about Betty Lou Foster, SDT, trucking off to Chicago to meet her man of the army.

Oh Those Previews

Here and there—AOPi Phyllis Yenne bids goodbye to Naval Cadet Bernice Anderson, former Sigma Nu, who leaves after a super-duper nine day furlough from St. Mary's—the two celebrated Phyllis' birthday with big new diamond and candy passing on Monday night—did I say the "two" of them celebrated at a candy passing...at the same time and at the same house a preview of things to come was given as Sigma Nu Jim Alexander pulled over Mary Louise Kennedy and announced and enacted the sample and example—guess what it was and you can bet your life those Sigma Nus didn't waste any time either, following the example, we mean...

News of a real honey of the April Fool species—Kappa gals played Western Union yesterday morn and announced to KKG June Korb that her Lt. Jack Jones would arrive from Junction City come evening, along with DG Sally Emerson's Lt. Lee Imhoff—big plans cooked but come noon Kappa gals think the time has come to cook the big plans...Disappointment and oh these sorority sisters...

Habitual Not Steady.

Around...DG Nell Scott and Theta Marj Ferrell to Omaha with plans unknown...Alpha Phi Virginia Van Horn also to Omaha but with definite plans to be with Omaha U boy David Barker—he's a redhead too!...Alpha Chi Jackie Scott and Beta Gene Merchant not going steady but rather habitually, so the stories go...

Sig Eps are in line for another cigar passing now that Howard Becker has hung his heart on Jeanne Connolly—this boy, incidentally, was the first brother to have the good fortune of being showered outdoors this spring and who calls that good fortune...the boys think someone should warn Chuck Gleason that they're cigar mad right about now or his red head will be awfully wet too...

Accommodations.

At the Air Corps open house today will be seen Stanford's DEKE Lou Venton with Kappa Polly Peterson as well as Alpha Chi Joey Huntzinger with Illinois U's Ernie Brockman, Gloria Mooney and Eve Marchant with Frank Sherman and George Bruns...in connection with the same affair, a most unusual bit of gossip—seems DG Nadia Kunzman turned down date with certain Air Corps boy—Air Corps boy being the accommodating type sends to the dorm three pals—now Nadia, Alpha Phi Liz Johnson and Phyl Garrison will be escorted by same three and if that doesn't take the cake, show me something that does...That's all...

Alumnus Heads English Department at Stanford

Arthur Garfield Kennedy, who took his A.M. degree in English philology at the University of Nebraska in 1905, has been made head of the department of English at Stanford university. His doctorate was taken at the University of California at Berkeley.

Dr. Henry F. Johnstone of the University of Illinois holds the current award of the American Institute of Chemical Engineers for an outstanding contribution to chemical engineering literature.
