

Spring Football Practice Starts Twenty Candidates Answer Call

Expect More To Respond To Summons

With 20 candidates reporting for Wednesday's opening session, and more expected to check out equipment yet this week, UN spring football practice got under way Wednesday and Thursday afternoons.

The pleased with the turnout for the first two days of practice, Husker Coach A. J. Lewandowski expressed the hope yesterday that more candidates will report for this afternoon's workout. Lew has hopes that the squad roster will swell to 30 as new men check out equipment.

Clad in sweat suits, the Huskers confined themselves to calisthenics, punting, passing and ball-carrying drills in their Wednesday and Thursday sessions. Lew-

Athletic Programs At KU Continue On Strong Basis

LAWRENCE, Kas.—War-time sports at the University of Kansas are going forward on a healthy if curtailed basis, according to a report issued by Karl Klooz, acting athletic director, after the spring meeting of the athletic board.

A program of spring sports will be carried out, including outdoor track, baseball, and tennis, and it appears that the treasury of the athletic association next fall will be blessed with as much money as it had last fall.

Cage Letters Awarded.

The athletic board granted 13 letters to basketball players on recommendation of Coach F. C. Allen. Whether the failure to win the championship this year had any connection with the granting of an unlucky 13 was not stated.

Players who were granted basketball letters include: Don Barrington, Dean Corder, George Dick, Don Diehl, Willard Frank, Louis Goehring, William Lindquist,

Track Meets Listed.

The track schedule, under direction of Coach Ray Kanehl, includes dual meets with Oklahoma at Norman April 15, with Iowa State at Ames May 13, participation in the Drake Relays April 28 and 29, tentatively a triangular meet May 6 among Nebraska, Kansas State, and University of Kansas at Lawrence, participation in the Big Six outdoor meet May 20 at Lincoln, and a dual meet sometime after the Big Six meet with Pittsburgh Teacher's college of Pittsburgh, Kas., at Lawrence.

Mr. Klooz said that a baseball team would be formed and a coach chosen soon. Prof. Richard Howey of the school of business will have charge of the tennis team again.

Issue Financial Report.

During the past year an amount of \$13,970.58 gross was received from football games after deductions of travel expenses and visiting teams' shares. Basketball brought in \$5,098.05.

The athletic board started the academic year last fall with approximately \$8,500 and after payment of all expenses, including \$5,000 bond retirement and \$4,908.75 interest payment on the stadium debt, will begin the 1944 fall season with about the same amount of capital.

Second Guessing with Harold W. Andersen

Grid Coach A. J. Lewandowski's decision to eliminate contact work in spring drills was a wise move, as we see it. With material definitely limited and several of the candidates having little or no previous football experience, Lewandowski feels that he is not justified in holding scrimmages and risking needless injuries.

Lew's decision is undoubtedly the most logical solution to the problem of holding practice sessions with material limited in both numbers and experience. Loss of a few men by injuries in scrimmage could very easily knock practice plans into a cocked hat.

Ed Weir's Scarlet trackmen

continue their workouts in preparation for the coming outdoor track season. All Husker point-winners in the late February Big Six indoor carnival in Kansas City are still on hand and will be ready for the outdoor meets.

Among the men regularly working out under Coach Weir's eye are Dean Kratz, winner of the 440 and the 880 in the conference indoor championships; Dick Miller, vault winner; Norval Barker, point-getter in both hurdles events; Dick Petty, high jumper; and Buzz Hollins, Doug Nelson, and Lyle Kops, all of whom are dividing time between track and football practice.

Weir is dickering with other schools to arrange meets to complete the UN outdoor schedule. The complete schedule should be set and ready for release sometime next week, according to the Husker mentor.

ISC Track Bill Is Announced

AMES, Ia.—A schedule of three dual meets, one relays event, and the conference meet have been approved for the Iowa State college track team for the spring quarter by the college athletic council.

The Cyclones meet the Iowa Navy Pre-Flight team twice, on April 8 at Iowa City indoors and on May 6 at Ames on the outdoor track. Iowa State will take part in the Drake Relays at Des Moines April 29. The Kansas track team will appear on Clyde Williams field May 13.

Iowa State will send a full team to the Big Six conference meet at Lincoln, Neb., May 20.

Dr. Suchuichi Kusada, a Japanese who has joined the Smith college faculty as a physics instructor, was recommended for the post by a Chinese member of the department, Miss Chien Shung Wu.

Attention Grid Squad Aspirants

Students interested in reporting for spring football should report to the south locker room under the east stadium at 4:00 this afternoon. Equipment will be issued at that time.

dowski plans to keep his charges at these limbering-up and conditioning drills during this afternoon's workout.

No Contact Work.

Lew has not altered his plans to have no contact work during spring practice. The Husker mentor still feels that he cannot afford to risk his small squad in scrimmages.

Most of the candidates who have reported to date have had previous high school or collegiate experience. Outstanding among candidates reporting for the first time were Gordon Ehlers, Columbus, lineman; Al Kirilin, all-state end selection from Lincoln Northeast last year; Doug Nelson, halfback with prep experience at Wausau; Dale Preston, six-man veteran from Pleasanton; and Dick Koch, scat back who played his prep football in St. Louis.

Trio Work on Track.

Nelson will join Buzz Hollins, Valley fullback, and Lyle Kops, tackle from Bassett, in dividing time between spring grid drills and practice with Ed Weir's track squad. Nelson and Kops are running the sprints in track workouts, while Hollins is tossing the weights.

Opening day roster: Jim Chadderton, Phil Fox, Casper Theisen, Dale Preston, Dick Koch, Lee Gartner, Don White, Don Taylor, George Ulbrick, Al Kirilin, Lyle Kops, Kenneth Hollins, Jim Abdner, Joe Kessler, Gordon Ehlers, Bert Glesler, Frank Hazard, John Van Bohne, Lavern Curry, Jim Riley, Doug Nelson.
