**Wesley Foundation Begins Regular Sunday Activities**

Part of the program of the Methodist Wesley Foundation Student Fellowship includes two regular sessions each Sunday.  
 In the morning at 10 a. m., a study of "Christian Attitude" will begin under the direction of Rev. Robert Drew, Methodist university pastor. A Sunday evening program from 6:30 to 7:30 will feature a get-acquainted theme and a worship service.

**Society Has It . . .  
 Campus News Hound Forsakes Picnic Grounds, Haunts Turnpike**

By Helen Goodwin.

A moment to pause—not for cokes but 'midst the confusion of school life in general—to gather choice bits of campus gossip. Picnic weather was taboo so most campusites turned Pike way for Friday night.

Among those swaying to the rhythmical tunes of Bluee Baron were Sally O'Shea, Theta pledge and Jack Dedrick, ATO; Ruth Korb, Kappa with Tex Cole, Sigma Nu; Shirley Hines, DG with Rog McNeil, Phi Delt; Joan Guenzel, Kappa pledge with ATO Jack Selzer; Sue Lancaster, Theta with Bob Ackerman.

Others passing up the Pike for fun at Dorothy Huffman's, Alpha Phi, were date Phi Gam Russel Ledger; Marilyn Coffey DG, and Phi Gam Wayne Van Horne; Jean Bogen, Tri Delt and Bill Berner, Phi Gam.

Foursome seen dancing Thursday night were Betas Bob Shoite and Ed Robinson with Alpha Phi's Myrlee Holler and Esther Blancher.

Mystery of the week that should be noted is the anonymous Pi Phi pledge who received eight calls within a half hour from different males. Humm, just who is she?

Pete Foe, Phi Psi and Lorraine Bockenbauer, KKG found Omaha a right nice place Saturday night.

Diamonds AO Pi way hitherfore unmentioned are worn by Pat Sanders from Lt. Bill Forrey and

Dottie Caress from Lt. Nell Krumb.

Happiness flew skyward no end at the Chi O house when Barbara Smith had a call from her fiance, Lt. Al Wilsie who has been overseas eight months. Rumor has it that he'll soon arrive in Lincoln. Jean Potadle Chi O in proud possessor of diamond from Phi Gam Emmett Pipher.

Phyllis McClaren, D. G. has been the recipient of several long distance calls from an unknown gentleman. Tip to 'Shorty' is to stay home so that he can converse with her—give the man a chance.

Corky York, Theta, has decided that horseback riding isn't such a bad sport after all. She and Wally Berk will be seen roaming the riding paths Sunday afternoon.

Dale MacCrackin, new ATO pledge, is one demanded man on campus and he seems to favor out-state girls.

Sig Eps and the Kappas seem to be doing the week-end up right. Eddie Strickland will be dancing at Pike with Jetti McIntosh. Four anonymous Sig Eps are planning a fun time with four Kappas but refuse to reveal the names. Getting news for the society column with such characters is like Fred Allen and the Quiz kids. Time will tell as to whereabouts and participaters—maybe.

**WAR COUNCIL**  
 Ghita Hill, president of the War Council announces that the first meeting will be held Tuesday in room 315 of the Student Union at 5 o'clock. All houses are requested to have representatives present.

In Australia many artesian well borings are sunk to depths of more than 4,000 feet.  
 Fifty-three per cent of the nation's feight cars are used only for hauling coal.

**Society Briefs**

Bonnie Hinrichs, D. G. president has her time occupied by Gerry Tubbs, former DU who is home on furlough.

Coming from Omaha for week-end will be Bill Buckingham and Don Brown to see Gamma Phi's Susan Weber and Virginia Hamilton. Another pinning is uncovered at the Gamma Phi house as of last summer, Janet Gibson wears the cross of Sigma Chi Dorsey Kindler.

Theta Marge Ferrel and John Wells, Phi Delt were seen at the Pike Friday.

Comment of the week is contributed by those he-men freshmen who upon seeing four seniors strolling down the street said, "Gad, it is amazing to see so many old-maids around here." Well, seniors, how do you feel?

The Pima tribe of Arizona has the largest proportion of pure blood—97.9 per cent—of any American Indians.
