Brown Palace Is New Intramural Football Champ

Striking across the goal line in the third quarter, the Brown Palace touch-football team came thru in true Greek style Tuesday to annex intramural football championships. The BP's took the game 6-2 with Alpha Tau Omega on the short end of the score.

The Taus scored first as the Brown Palace center put a bad pass by his backfield and the ball went over the goal line before the recovery was made.

Then in the third quarter the Brown Palace team fought back and scored as Swartz took a pass from Trofholz to cross the line. The counter was enough to last for the rest of the game as the Taus could not mark up any more points.

Spectacular kicking for the Brown Palace squad was performed by Stone.

Sigma Nu Wins

Sigma Nu took to the air to score a victory over Phi Gamma Delta. On the second play of the game the Sig Nus countered with a long pass going to a receiver right across the goal line.

But only a few plays later the Fijis evaded the count as Ralph Majors skirted his end to tally.

In the second quarter the Sig Nus scored twice more on long passes being unable to get by Fiji linemen for gains.

Fighting back gallantly in the

last half, the Fijis were unable to bring the score along side that of the White Star team who scored once more via the airlines bringing the final count to 24-6.

Beta's Are Victors

Three sleeper pass plays provided the Beta house with an easy 25-0 victory over Theta Xi. Dean Neil accounted for the additional touchdown by intercepting a pass and scooting on over the goal.

Pioneer Co-op and Sigma Phi Epsilon put up a hard fought game with the Pioneers winning 6-0.

Party for Democratic Government and the Progressive party.

TO THE STUDENTS:

Because we feel that the political situation on the campus is a disgrace to the student body of the University of Nebraska, we have organized the Student Party for Democratic Government. We believe that social position on the campus is no criteria for belonging or not belonging to a particular party. Therefore, our party membership is open to all individuals who adhere to the principles of our party, regardless of their affiliation or non-affiliation, creed, or color.

The principles of our party platform involve election of candidates on their individual merit and more student representation

in the government of the university. We believe that it is our duty as a party interested in honest elections to nominate a slate of well-qualified individuals for all partisan elections. We also believe that it is our duty to urge absolute independent voting in the case of all non-partisan elections, such as, Pep Queen, A W S board, and other women's elections. We further believe that the students should have a voice in formulating university policies.

There will be an open meeting of our party at a date to be later announced in the Nebraskan. At that meeting we shall explain our platform and answer any questions people in the group might have regarding the party. We strongly urge all persons interested in cleaning up campus politics to attend this meeting.

Signed: Organizational Committee of the Student Party for Democratic Government.

This committee, composed of Ernest Larson, chairman; Pat Chamberlin, Bernie Ulrich, Blanch Reid

KU Squad Lose Fullback, Ends

LAWRENCE, Kas.—After a few days rest the University of Kansas football squad began Monday to prepare for the coming battle Saturday in Memorial stadium at Lawrence with the Olathe Clippers.

Coaches Henry Shenk, Elmer Schaake, Dean Nesmith and George Dick plan to spend a lot of time in trying new combinations to fill up the vacant spots caused by the departure of several V-12 players who held key spots.

Barrington Leaves Vacancy.

Big Don Barrington's place at fullback must be filled. In this slot the coaches plan to try James A. Weatherby, a 175 pound sailor from Fort Worth, Tex. Weatherby was used at the fullback position a short time against Nebraska and made one or two good gains.

Coach Shenk is also having end trouble. Schimenz, Riegle, and Daigneault, all three regular ends, are gone. Shenk plans to try Sam Hunter, freshman tackle, at an end position. If he does this he must find a tackle to replace Hunter. Hunter, who was injured in the Tulsa game, is coming along.

Clippers Tie Fort Riley.

While the Jayhawks had an open date last Saturday, the Clippers battled the Fort Riley eleven to a 6 to 6 tie. The Clipper-Kansas game Saturday will find brother against brother. Carl Hird plays a lot of tackle for the Olathe eleven and his brother, Wayne Hird, is the ace center on the Crimson and Blue eleven. Carl lettered at tackle for K.U. two years ago under Coach Gwin Henry.

and Albert Reddish, will meet in the near future.

I. A THOROUGH AND EXTENSIVE POSTWAR PROGRAM

We believe that the administration should take every advantage of the G.I. Bill of Rights to encourage former students to return to the University of Nebraska. We also believe that an extensive postwar program should be instituted to erect needed buildings and to beautify the campus.

II. INCREASED APPROPRIATIONS FROM THE STATE GOVERNMENT

In order to maintain our position as a leading institute of higher learning, we feel that the state legislature should be encouraged to increase appropriations.

III. CLOSER CONTACT BETWEEN STUDENT BODY AND THE CHANCELLOR AND THE FACULTY

We believe in closer relationships between faculty and students.

IV. MORE REPRESENTATION ON STUDENT COUNCIL

We believe that all students should have a voice in student government and therefore we think that freshmen and sophomores should have a definite number of representatives on the council.

The Progressive Party believes in and will uphold for the above proposals. All progressive and forward-looking students on this campus are urged to attend an open meeting of the Progressive party Tuesday night at 7:30 in Room 316 of the Union.

Rallyers Pep Cornhuskers For Iowans

Nebraska's Cornhuskers enroute for Iowa City last night enroute to meet the University of Iowa Hawkeyes Saturday. The Husker squadmen were rousingly sent to the entanglement by enthusiastic rally pepsters who watched the departing team.

Relying upon speed and passing against the Hawkeyes, the Nebraskans are to be faced by a heavier-than-average Iowa line. The Hawkeyes line average stacks up to 196 pounds of beef and brown. This weight will cause the Huskers to resort to less line-plunging than has been used before this season.

Madigan Dismisses Two.

Startling news received from the Iowa camp came Wednesday as Coach Slip Madigan announced the dismissal of Stan Mohrbacher, regular guard, and Bob Ireland, reserve guard. Madigan charged the pair of "failure to report to practice, disloyalty to the squad, failure to observe discipline on road trips, and for being guilty of conduct unbecoming a member of the Iowa football squad." The decree will serve for the remainder of the season according to Madigan.

Nebraska practices have been mostly in the form of scrimmages between second and third team line-ups this week. Lewandowski has indicated no changes in line-up from last week excepting for two halfback combinations. One has Knight and Hollins working at the posts while the other includes Selzer and Lamberty.

Former Husker With I U

Former running mate of the Huskers, Jim Hansen, will be one of the Iowa backs for the Scarlets to watch. Hansen played during the first of the last season as first string fullback on the Nebraska team and has proved himself fully competent to handle the position for the Hawkeyes.

Jack Selzer is still the number one Husker to watch as far as the Iowans are concerned. Selzer has started in all of the games played by the Huskers thus far during the season.

Practices will be held tomorrow afternoon in the Iowa stadium for the Huskers, giving them time to become familiarized with the Hawkeye playing field.
