

Nebraska's Court Slate Opens Sat.

Saturday night will unveil to basketball fans just what UN will furnish court addicts for entertainment this cage season. The University of Iowa Buckeyes engage the Huskers here at the coliseum then. It will be the season's opener for the Huskers.

Nebraska's prospects remain yet unknown as the crop of freshmen who will carry the bulk of the manpower for the Huskers remain untried. However, a more favorable season than last year is expected of this years quintet.

Four lettermen from last years court squad are still left in school for the 1944-45 season. They are Tom Dworak, Doug Nelson, Ken Hollins and Bob Tange-man. Hollins and Nelson both lost much practice time while in football workouts.

The new roster will probably be full of names familiar to Cornhusker football followers with many of the gridmen turning out. Besides Collopy, Bill Perdew, Winton Buckley, Jack Bryant and several others.

Iowa will meet the Huskers with several experienced men to lead their attack. Dick Ives, Ned Postels, and Jack Spencer are standouts on the Hawkeye team. Also among the Iowans are the Wilkinson brothers, Clayton and Herb.

South Dakota was the lone loser to Nebraska last season.

Two teams, composed of the outstanding players in the Nebraska ball tournament, will play an all-star game this evening. The names of players, who were chosen for their skill in the game and for their sportsmanship, will be posted in Grant Memorial. Spectators are invited.

Mary Beranek is the newly elected president of the Archery club. Serving with Mary is Nancy Baker as the new secretary.

The eyes of Grant-Memorialites, (alias athletic coeds), were almost blinked out this week when some new bulbs were installed in the gym. Now maybe the participants in a game can hit a ball instead of a dark shadow. . . . The game schedule for the volley ball tournament beginning Monday is posted in the gym.
