

## Ragged Edges

BY BET KING.

Got an aspirin handy? Well, put it down; it takes two hands to hold a newspaper.

The ATO's had a little get-together with several of the boys who were down for the week-end. Tom Noble took in the affair with AOPI, Jean Skinkle. Speaking of ATO's, Chick Neal has set a new record of spending six hours a day with Jan Schwartz, Pi Phi.

Sally Yoder, Alpha Chi, celebrated the Boy Scouts' anniversary with the acquisition of a Boy Scout pin. Does Jim Beard, Sig Alph, still do the good deed every day, or does Sal take that over along with the pin?

**Pin Hanging.**

Shirley Crosby of the Chi O house now has the Phi Delt pin of Bob Creutz. Maybe Hink Aasen and Nog Chapin, Sigma Nu will follow their lead. That is, if Nog still has his pin. He hasn't been wearing it lately.

Theta Ginny Malster isn't wearing her diamond anymore. The xline forms to the right, boys.

Have you heard: That John McCarville, Phi Delt is dividing his time between Theta Call Quigley and Addie McCague, Kappa—that Sadie Hawkins of the ATO Masons dated Tex Cole, Sigma Nu, Saturday night—that Betty Storjohn, Sigma Kappa, has the Sig Ep pin of Lt. Dick Mace of Middleburg College in Vermont. She passed the candy Monday night.

**Dorm Sweetheart.**

Alpha Chi Carylenn Dennison, who was chosen Dorm Sweetheart at the formal Saturday night, is seeing a lot of Merton Lallman, Sig Ep. Could be something serious?

"Hac" Lilly, Kappa, can't make up her mind between Phi Delt. She's been coking with Randy Keough. Wonder what happened to the Lilly-Tom McCarville combination?

I leave you with this question—what Kappa and what Phi Gam have been holding numerous "pow-wows" lately?
