

# AS I SEE IT

By

Chuck Peterson

Altho the Nebraska track team took only 6 men to the Big Six track indoor meet in KC they surprised the whole state let alone the campus when they placed second in that meet.

They scored six firsts, winning every track event except the mile and the 60-yard dash. They led the field in first places by a ratio of two to one. They entered 7 of the 12 events and managed to walk off with firsts in six of them. They produced the only double winners in the whole meet, and at that supplied two of them. And to top it all off, they missed

out on the championship by only seven points.

Most of the other teams bought 18 men, the maximum allowed. strength of most of the other teams, the boys with the scarlet shirts were across the first three-fourth of the time the boys had won the last mile relay, they would have copped the meet and brought home the championship.

The hard luck boy of the track team seems to be Tommy McGeachin, freshman hurdler, who the day before the team left, turned his ankle in practice and had to stay home.
