

Frosh Convo Charged With Buoyant Spirit

Over 1,000 freshmen led by the Tassels and cheerleaders marched from Temple to the Coliseum Thursday afternoon in the first rally of the season, enroute to freshman convocation.

A pep talk by A. J. Lewandowski, director of athletics, on the steps of the coliseum added to the high spirits of the students assembled.

At the convocation Bill Miller, YMCA president, and master of ceremonies introduced Barbara Griswold, president of Mortar Board. Miss Griswold challenged the new freshmen to make the most of their college years in preparation for a better society and a better world.

Recognizing the importance of activities on the campus, Chancellor Boucher recommended that each student strive to maintain a balance between his school work and activities.

Vets Register For Classes; Total 325

Two girls are included among the 325 veterans entering the university this fall. This number, according to Professor J. P. Colbert, chairman of the Consultation Board for Veterans, is more than three times the number of vets entering school last year at the same time.

Professor Colbert urges that all veterans who have not yet received their Certificate of Entitlement from the Veterans Administration, bring it as soon as possible to his office in 101, Mechanical Arts Building. Until this certificate has been received there is no way they can receive their subsistence payments from the Veterans Administration.

Change Addresses.

All veterans who changed their Lincoln addresses are requested to come in and fill out change of

address slips for the Veterans Administration so checks will go to the correct address.

"Information For Veterans," a new booklet put out by the university, contains instructions on pages 6 and 7 for requisitioning books and supplies. It will save time for all concerned, Professor Colbert stated, if each veteran will try to obtain all of his request slips before coming to Consultation Board for the official university requisition to buy his school books.

Hamburgers, Men Return to Make Campus Life Gay

The war is over and hamburgers are again being served in the Union. The war is over and men are back on campus. Great to have hamburgers again, isn't it?

Lucky Freshmen.

Wearers of ye scarlet and cream beanie, time honored badge of the freshie, don't really know how lucky they are. As college settles back into normalcy, the class of 1949 will profit. For the class of '49 will see Kosmet Klub reviews once more, formal affairs, and will reinstate the Corncobs. Activities which most of us have yet to view. It's a great day coming for the class of '49, and it is

just the tonic one slightly worn university appears to need. With profs coming back from leaves of absences, together with returning vets, things couldn't be brighter for college enthusiasts.

Assuredly not one of the duller hopes of a peacetime campus is the thought that once again, long, elegant formals may be worn, and moth-eaten tuxs dragged from the closet. To upperclassmen, formal affairs almost date back to the horse and buggy days, but now they seem almost a reality. More power to the class of '49!
