

ATO, SAE, Fiji Teams Head IM Football Race

Leaders in the intramural touch football league remain unchanged after the second week of play. Alpha Tau Omega, Sigma Alpha Epsilon and Phi Gamma Delta hold down the top spot with three wins and no losses, while the Navy Gismos trail by a half a game with two victories and no defeats. The ag college club, Navy Block Busters and Navy Sorority Set each have a single triumph in their only start thus far.

Highlighting the week's play was the top-heavy margin piled up by the Phi Gams as they trounced the luckless Beta Sigs 61 to 0 on Thursday. The Phi Deltas were hard pressed to edge by the Kappa Sig-DTD combine and pulled out a 1 to 0 win.

Two games scheduled for Friday were cancelled and will be made up at a later date.

Huskers . . .

(Continued from Page 1.)
diana team had gained first and goal on the one yard line.

Then, following the Stanford pattern in the Rose Bowl contest of '41, Raimondi returned Story's punt to the five yard line and on the next play Dick Deranek went over for the score. Charley Armstrong added the first of six successful conversions and the Hoosiers were on their way.

Indiana piled up twenty-one points in the second quarter, the first score of the stanza coming after Mack Robinson's punt was blocked and Indiana recovered on the Husker 15. Pete Pihos, All-American end in prewar days who performed at fullback and tackle Saturday, went through the middle of the line to score with six-and-a-half minutes remaining in the half.

Fumble.

A fumble on the Indiana kickoff following Pihos' score gave the Hoosiers the ball in scoring distance once more, and this time a pass play from Ben Raimondi to Mel Groomes was good for the score.

In short order the Hoosiers scored again on a Raimondi pass, this time to end Bob Ravensberg from a play originating on the Husker seven yard stripe.

The most sensational play of the game opened the second half, for Bob Miller took the Husker kickoff on his five yard line and raced 95 yards thru the Nebraskans for the score. Automatic Armstrong converted. Bill Armstrong added the second touchdown of the quarter when he plunged over from the three after center Cannady had intercepted a Robinson pass and laterelled to Adams who got to the Husker three from the 35.

Miscues.

Armstrong and Schwartz scored in the final quarter as the results of Husker miscues. A fumble and a pass interception leading to the final counters for Bo McMillan's "por little boys."

At times the Huskers looked like a fine ball team, Clefus Fischer, a converted back playing center, Gerald Moore and Rex Hoy bothered the Indiana offense all afternoon, while the ends and backs Gradoville and Robinson provided the scoring spark.

Indiana possessed plentiful reserve strength, with versatile backfield men playing several positions during the afternoon. Although he did not score, George Taliferro, Gary Negro gave the Huskers plenty of trouble as did Lou Ciulli on defense.

Ahern Heads First Varsity Cage Drills

Candidates for the varsity basketball squad got a chance to show their wares last week as pre-season drills began under the guidance of Jake Ahern, veteran collegiate and professional performer.

Ahern will be remembered as captain of the Lincoln Wings, stellar cage team which showed Lincoln fans the best brand of basketball to be found anywhere last winter. Ahern will have charge of the team until Oct. 24 when assistant basketball Coach Pop Klein will take over the squad.

Drills are being held on Monday, Tuesday, Wednesday and Thursday from 4 to 6 p. m. and all men are invited to check out equipment and participate in practice sessions.

Klein estimated that approximately 60 men had checked out suits, with more players expected every day.

Pioneer Links Scene of IM Golf Compet

Student golfers conclude the fall medal tournament this afternoon on the Pioneer park course, after opening play Saturday. Competitors were privileged to shoot their 18 holes of medal play either Saturday or today, with an individual and a team champion to be declared.

Organizations should be aware of the fact that any number of entries are allowed, with only the four lowest scores being counted in determining the team champion.

The only restriction on players is the rule that foursomes contain golfers from at least two different organizations who will testify as to the accuracy of the scores turned in by the players.

In case of a tie in individual play, an extra nine holes will be played to determine the champion.

Major L. Dull Receives Bronze Star Posthumously

Major Leonard C. Dull, 1936 graduate of the university, was awarded the Bronze Star medal, posthumously. Col. James P. Murphy, director of military training at the university presented it to his widow, Mrs. Elizabeth Dull, 3834 Sumner street, Lincoln, at ceremonies held on the campus.

The citation read: "For meritorious service during the period 25 July to 25 August, 1944, in northern France, for his energy, diligence and ability as a battalion executive officer and battalion commander, Major Dull's reorganization of his battalion after severe losses enabled it to maintain its effectiveness in the face of such severe losses."

Major Dull served overseas with the 90th infantry division. He had previously been awarded the Soldier's medal, the Silver Star and the Purple Heart with Oak Leaf cluster. He was awarded the Pershing Gold Medal in 1934 and was commissioned in 1934.

Swim Coach Calls For UN Swimmers

Swimming Coach Ed Higgenbotham has issued a call for varsity swimmers. Practice sessions for tank hopefuls will begin on Monday, October 15, with all men interested ordered to report to the pool in the coliseum at that time.

Little is known about the potentialities of the Husker swimmers, but intercollegiate competition is assured for the coming season.

NOTICE.

All men interested in participating in sports activities, but who are not affiliated or connected with any team or organization now in competition, are asked to meet Monday, October 15, with director of intramurals, Lou Means, on the main floor of the coliseum to discuss ways of providing competition in various sports.

SWIMMING POOL OPENS.

The coliseum swimming pool has been opened for recreational swimming every day from 12 noon to 1:30 p. m. and on Monday, Wednesday and Friday at 4 p. m. to anyone wishing to take a dip.

The only requirement is that swimmers possess a swimming permit which certifies that they have been examined and are physically fit to swim.

Tennis Players Must Complete Second Round

Intramural Director Lou Means warns all tennis players that second round matches in the fall singles tournament must be completed by Wednesday, October 17, and that results must be posted by the winner on the bulletin board in the coliseum lobby.

A glance at second round pairings shows that four Beta netsters lead the parade, although five Navy are also in the running, but are not eligible for the team trophy.
