Orchids to Us...

Thanks!

This is a blanket, all-inclusive "thank you" to everyone who helped make this Homecoming such a roaring success.

Thanks first of all to the team for playing a bang-up game of football that kept us all screaming ourselves hoarse thruout the whole game!

Thanks to the Tassels and the Corncocks who organized the rallies and created more spirit than we've had the pleasure of seeing for much too long a time!

Thanks to the cheerleaders who were always there on the job!

Thanks to the university band, which did such a beautiful job during the half and all the rest of the time!

Thanks to the Mortar Boards, just because we never believed they would get down on their knees to anyone!

And thanks to all the hundreds of students who beavered on Homecoming decorations and floats, who turned out en masse for all the rallies and parades, and who really made this one Homecoming one for the books!

C. Frankforter Talks to Group Of Engineers

All active engineering societies will meet together Wednesday at 7 p. m. in the Union ballroom to hear Prof. C. J. Frankforter discuss Internal Security Measures under his jurisdiction while with the Seventh Service Command during the war.

The Engineering Executive Board is holding the meeting for the five societies in order that the freshman class and returning upperclassmen may become better acquainted with engineering activities on the campus.

Returns to Faculty.

Professor Frankforter returned to the faculty this fall after a 2½ year leave of absence during which he served as a lieutenant colonel in the infantry. As the commanding officer of District 4 of the Seventh Service Command he had charge of all phases of internal security in Kansas.

In this capacity, Colonel Frankforter had frequent contact with numerous aircraft plants and refineries. His experiences include guarding the presidential train during the nationwide tour and checking of many reported Japanese war balloons. On one occasion, Colonel Frankforter located and recovered a Jap balloon.

Active on Students' Behalf.

Professor Frankforter has been active on behalf of student organizations since he joined the faculty of the department of chemical engineering in 1908. He has served as advisor of the Student Chapter, A. I. Ch. E., Innocents, Interfraternity Council and Corn Cobs.

In 1919, Frankforter reorganized the ROTC unit at the university.

BABW Sponsors Mass Gathering Of Barb Coeds

All unaffiliated women students will join in a mass meeting sponsored by the BABW, tomorrow night at 8 p. m. in room 315 of the Union.

Employing the new point system instituted by BABW, the board will discuss Barb participation in activities. All unaffiliated women are urged to attend the meeting whether they signed up at the BABW table at the Activities Mart or not, said Jane McElhany, president of the organization.

CHARM SCHOOL.

The first meeting of Coed Counselor Charm School will be held Tuesday evening at 7 in Ellen Smith hall. Mrs. James Stuart of Lincoln will speak on "College Charm."

Ragged Edges

BY PAT GILLIGAN AND PAT TOOF

Climax to a spirited week in which the kids really rallied with enthusiasm—pep queen Jackie Tobin danced with lucky sailor Al Liedel when she wasn't being presented as Nebraska's choice—sister Pat preferring the Navy, too, specifically, Dale Jennings. Gamma Phi Mary Ann Korb with Tau Bruce Shurtleff, result of an hour dance acquaintance. Oddities do happen—there is some future in hour dances.

Alpha Xi's rallied together just before the Homecoming dance to eat candy from the five-pound box and see the ring of Neta Bellingier. The diamond came from sailor and Sig Ep Bill Hunter.

Bringing "Razz" Barry, ATO prexy, out of his shell (the man who never dates) was Kappa Kappa Gamma girl, "Elch" Beckenhauer, down for the week end and the Homecoming dance. "Razz" doesn't even mind dancing with her.

Exchanging homecomings with Gamma Phi Pat Halderman of Iowa State was DU Dick Asmusen—carrying on the fun from the Iowa week end. Also preferring foreign talent, Brother Don Whitcom imported Marge Chambers of Omaha U.

Homecoming Breakfast.

Eager to start festivities, the Sig Eps entertained at their annual Homecoming breakfast Saturday in the wee hours of the morning—appreciation of beauty shown by the "sweater" theme. Mortar Board Sue Pope breathing the invigorating air with Bob Steele while sister, Olive, dined and danced with Neal Copple. Forsaking legendary Leonard Dunker, Shirley Crosby appeared with Chuck Pope—KKG Lois Phillips wide awake with Woody Woodruff.

Huskers Rallied.

The campus turned out en masse

Friday night for the burning of the Jayhawk in effigy and the rally dance afterwards in sweaters, jeans and what have you—Larry Wentz, Fiji, enjoying dancing with M. C. Phillips, KAT. Alpha Chi's Shirley Staats and

this week end. Is it trophies or just rumor.

Patricia Neely, Towne Club, deserves congrats for the scholarship pin awarded by the Mothers club—reward for hard labor and a high average.
