

Huskers Fall to Jayhawks; Visit Cyclone Five Monday

Charley Black Gets 24 Tallies In Kansas Win

Too much Charley Black was the big difference between Phog Allen's Kansas cagers and the Nebraska five, as the tall All-American poured 24 points through the nets to pace his mates to a 56 to 45 win over the Huskers Friday night at the coliseum in a Big Six tilt.

Huskers Trail at Half.
Nebraska gave the Jayhawks a run for their money during the first half, trailing 28 to 23 as the half ended. Midway in the second stanza they pulled within one point of the visitors, but Black connected twice to give the Kansans a lead they never relinquished.

Leo Schneider paced the Husker scorers with 11 counters, and performed well on the defense. Fred Hecox, game captain, came through with his best performance of the year, and harried the Jayhawk guards all night with his aggressive play.

The smooth-working Black set a new Big Six record for free throws made in a conference game, as he potted 12 goals from the charity lane to break the old record of 11 which was established just this week by Schultz of Kansas State.

Peterson Performs.
Gil Stramel gave Black plenty of assistance with 12 points, and Husker fans were rewarded with a look at Art Peterson, mainstay on last year's Nebraska team. Peterson started the game at a forward spot, and scored a free throw during his stay in the game.

Play was ragged during much of the second half, as the Huskers pressed the Jayhawks relentlessly, and three Scarlet regulars left the contest via the foul route in the second half.

Kathol Schedules N Club Meeting Tuesday Evening

All N club members should attend the N club meeting Tuesday night at 7:30 in the N room at the coliseum, according to Jerry Kathol, N club president.

A practice initiation will be held at the meeting as the organization of Nebraska athletes prepares to take the current crop of football lettermen into the fold.

At present there are 25 members, chiefly prewar lettermen who have returned to school, and after the second semester enrollment N club officials estimate that there will be approximately 40 old members in addition to the new initiates.

Games This Week.
Monday: Nebraska at Iowa State.

Tuesday: Missouri at Kansas State.

Friday: Nebraska at Missouri; Oklahoma at Kansas.

One of the two undefeated teams in the Big Six play will be dropped from the top spot this week, when Kansas and Oklahoma battle Friday night at Lawrence for undisputed leadership of the league.

Jayhawks Favored.

The Kansans must be favored, for they marked up a decisive win over the Sooners in the Oklahoma City tournament which was played during the Christmas holidays. However, Bruce Drake's team showed plenty of scoring punch in running up a 70-48 win over Nebraska, and must not be counted out of the fight.

Nebraska is the only team to see action twice during the week, as the Huskers are on the road Monday for a game at Iowa State, and travel to Columbia Friday for a contest against the Missouri Tigers.

Missouri hopes to register its first conference win Tuesday night at Manhattan, when the Tigers invade the Kansas State stronghold.

IM Cage Playoff Held at Close of League Seasons

The possibility of an organization scoring 500 points toward Jack Best supremacy solely in basketball competition loomed today with announcement from Intramural Director Louis E. Means that the cage tourney to be held following the current season will count toward sport supremacy.

Tourney points will score according to Group II stipulations. The basketball "B" league falls in the same class, with "A" league competition in Group I. An organization winning all three could thus rack up 500 points.

Playoffs for the current season have also been announced by Director Means. The four league winners in Class "A" will compete for the championship with the four second-place winners fighting it out for fifth and sixth. The two "B" league winners will clash for the top spots with the second and third place teams given a crack at the next four places.

Although a movie fan, Brian Donlevy, starring in Paramount's "Our Hearts Were Growing Up," seldom goes to see himself on the screen, not even in "rushes" of the day's work at the studio.

Scarlet Seek Second Big Six Win at I State

In search of their second Big Six basketball victory, the University of Nebraska cage squad travels to Iowa State tomorrow for a tilt with the Iowa State Cyclones.

The Huskers now sport a conference standing of one win and two losses, while the Ames quintet has won one game and lost one in loop play. Kansas State upset the Cyclones 52 to 46 in an overtime battle, and the Iowans downed Missouri Friday night, 45 to 33.

Since Nebraska has beaten Kansas State, but lost to Missouri, in a pre-season tilt, the game should be a nip and tuck affair all the way.

Homecoming for Schneider.

It will be a homecoming affair for Leo Schneider, Husker guard, who won a freshman numeral at the Ames school in 1942. He then entered the Navy and is now a member of the NROTC unit at Nebraska. Schneider is a brother of Carol Schneider, former all-Big Six performer for the Cyclone Big Six champions of 1941.

Coach Pop Klein has named a traveling squad of 12 men to make the jaunt, and they will leave at noon today, returning immediately after the game.

Brown Doubtful.

The status of Joe Brown, starting forward, is in doubt. The Akron, O., standout may be forced to remain at home due to scholastic difficulties.

Ineligibility of Mack Robinson, former Norfolk high school ace, has caused Klein to move Cletus Fischer, Husker football star this fall, to a place on the varsity roster.

Traveling roster: Fred Hecox, Gayle Lebsack, Don Barry, Bob Korte, Leo Schneider, Jim Sandstedt, Bus Whitehead, Tom Cook, Chick Story, Cletus Fischer, Joe Brown and Dale Livingston.

Mat Kings in EM Tourney Win Friday

Champions in eight weight divisions were crowned Friday night as the intramural wrestling tournament was concluded with eight bouts at the coliseum. The matches were held as an added attraction to the Kansas-Nebraska basketball game.

Quick Fall.

Navy men were winners in five of the eight classes, and five of the matches ended in falls; the quickest being Jerry Neal's 3:43 win over Tyler Vanderkolk in the 165 pound class.

Gold medals were awarded to all winners, and second place men received silver medals from Husker varsity wrestling coach Jerry Adam.

One hundred and fifty men competed in the tournament, which was held under the direction of Louis E. Means, director of student physical education.

As yet the final team standings have not been determined.
