

Boxing Meet To Be First Since 1935

One of the outstanding events of the intramural program will begin late this month when the first university boxing tournament since 1935 gets underway, sponsored by the intramural department.

Lou Means, intramural director, and Jerry Adam, varsity wrestling coach, are in charge of the tournament which will be staged on the main floor of the coliseum on February 28, March 5 and March 12.

All entries are due Monday, February 25, and every man must be ready to weigh in during the period from February 25 to and including February 27.

A new elevated ring is ready for use, and will be installed on the main floor for all matches. Competition will be held in the usual boxing weight classes, from the 112 pound division up to the heavyweight class.

Champions will receive individual awards, second place winners will receive medals, and third place men receive certificates of merit. Trophies will go to the first and second place teams, and the names of all champions will be placed on the plaque in the coliseum lobby.

Admission will be charged for the three evening sessions, and each competitor will receive three complimentary tickets.

Boxing is included in the Jack Best supremacy scoring, and to receive participation points each team must have at least four men competing.

Entrants should pay special attention to the rule which states that every competitor must have at least six workouts before he enters the ring. Jerry Adam is available in the coliseum basement any afternoon after 4 o'clock and will supervise conditioning workouts. No boxer will be permitted to enter the tourney without having six workouts.

Harold Boker Paces Matmen With 11 Points

Harold Boker, former Omaha Central grappler, leads Coach Jerry Adam's wrestlers in points scored, with 11 tallies, the result of one fall and two decisions over wrestlers from Iowa Teachers, Iowa University and Iowa State.

Wrestling in the heavyweight and 175 pound classes, Boker has been unbeaten in his three starts since joining the squad at the beginning of the second semester.

In his most recent victory, Boker decided Ron Hudgin of Iowa State in a 175 pound battle. The Cyclone had been undefeated prior to his match with Boker and was the leading scorer on the Iowa State team.

Mickey Kelly, scrappy 121 pound matman and Newt Copple, veteran 155 pound performer, are next in the scoring totals with nine points apiece.

Ed Copple has six points, while Jack Tamai and Burl Selden have each collected five. The Husker squad has been unable to win in six starts, but this year's team has faced some of the best teams in the nation, including Iowa Teachers, Indiana, Iowa State and Iowa University, and prospects for future successes in the mat sport are rosy.

Demolition Boys Win Navy Play; Bieterman Stars

Sparked by Bieterman's 24 points, the Demolition Boys easily disposed of Kane's Killers in the finals of the Navy basketball tournament Tuesday night. Bieterman, probably one of the finest basketball men on the intramural courts, has been a gold mine of points for the Demo Boys all season, and he and his teammates had things well in hand Tuesday.

The new Navy champs are now slated to meet the top independent and the top fraternity team to come out of the present playoffs in a three-way tourney to determine the all-university champions.

In the consolation matches, the Hot Shots forfeited third place to Wood's Wildcats; and the Flying Frenchmen and the Filthy Five, victors in Tuesday's games, meet Thursday night to decide fifth place.

Final top standings:
 Demolition Boys First
 Kane's Killers Second
 Wood's Wildcats Third
 Hot Shots Fourth

Championships:
 Kane's Killers, 10; Demolition Boys, 35.
 Half-time score: Killer 7, Boys 35.

HUSKER HIGHLIGHTS

By
George Miller

We see from press releases distributed by the Universities of Oklahoma and Minnesota, that the University of Nebraska baseball team will be in action against these schools. No word of the Husker schedule has been released by the Athletic Department, but the Minnesota bulletin tells us that the Nebraska team will open the Gophers' season with a pair of games at Minneapolis on April 12 and 13.

Nebraska baseball coach Frank Smagacz is awaiting word from one or two schools before the complete Husker schedule can be released, but indications point to plenty of competition for the Scarlet nine this spring.

Several former squadmen are back on the campus, including Dean Jackson, Ray Sedlack and

Frank Rubino, all of whom played for Nebraska before the sport ceased during the war years.

The triangular track meet Saturday night involving Nebraska, Kansas and Kansas State, will have numerous complications. In addition to being a three-way meet, the competition will be on a dual meet basis between Kansas and Kansas State, between Nebraska and Kansas, and between Nebraska and Kansas State.

It may be far into the night before the final scores are tabulated to determine winners of these four different rivalries.

On the same note, the speedup schedule in effect at the Husker meets works in fine style, until the broad jump comes up. At this point the proceedings bog down

and the competition of the meet is held up until the jumpers finish their activity.

If this could be remedied, Nebraska track fans could be out of the east stadium oval after cheering the Husker performers, and still have a good bit of the evening left.

"It's an angry Iowa State College track squad that is working out for its final tuneup before the Big Six meet in Kansas City March 2. The Cyclones, Big Six indoor champions for the past two years, in some cases are downright mad."

"Nebraska may win, the Cyclones admit, but they'll have to be doing it at Kansas City, not at Lincoln nor in the newspapers. The silent, almost surly squad refuses to admit the Huskers are good enough to push off the throne they've occupied for the 1944 and 1945 seasons."

These words come from the Iowa State sports service.

Ed Weir's boys should be ashamed of themselves for making the Cyclones angry.

Alan Ladd, star of Paramount's "The Blue Dahlia," was a sprinter and shot putter at North Hollywood high school and still holds the 50 yard free style swim record.
