### To Law Library Undergoing redecoration and renovation, the law college library has been designed to accommodate an accelerated expansion of its facilities, Miss Breta Peterson, law librarian said yesterday.

New steel stocks have been installed providing a 25 percent increase in book space. The new stacks also provide more space for the reading and study area.

Two more faculty offices have been added to the five previously installed.

#### Fluorescent Lights.

The library has been redecorated, and the ceiling insulated to provide greater comfort both in summer and winter. Fluorescent lighting is now being installed in the reading area and a special lighting system has been installed in the stacks.

Miss Peterson announced that the library now contains about 28,000 volumes, 80 percent of them on open shelves. To offer greater service to law students, the volumes have been divided into three large groups, judicial opinions and reports in the south stacks, statute and legislative materials in the north stacks, and encyclopedias and research books in the permanent stacks on the west side of the library.

The library which has been closed the last two years with the suspension of the college due to the war, was officially opened at an open house for students and faculty sponsored by the university law alumni association last
