

Bisons To Test UN Track Power Today

Nebraska fans will get their first look at the 1946 edition of the Husker outdoor track and field squad this afternoon when the Scarlet thinclads tackle the University of Colorado in a dual meet at Memorial Stadium beginning at 4 p. m.

Field events will start at 3:30 and student activity cards will be honored at the gate. Admission is 50 cents for those who do not have activity cards.

Coach Ed Weir has named 24 athletes for the meet, which will pit the visiting Bisons against Nebraska for the first time in several years. The Colorado team won more first places at the Kansas relays than did any other school, and will give the Huskers plenty of competition.

C. U. Stars.

Heading the Colorado entries are Loren Creese and Warren Bateman. Creese won the KU shot put championship with a heave of 47 feet 4 3/4 inches and placed second in the discus with a 137 foot 1 1/2 inch effort. Bateman, a freshman, soared 13 feet to win pole vault honors from a field that included Nebraska's Miller, Big Six vault king.

Miller went 12 feet 11 inches in practice Monday and will be out to revenge his defeat; while Ned Nutzman, the Huskers' ace shot putter, served notice that he is regaining the form that enabled him to win the Big Six indoor crown, by placing second at the Drake relays behind Bill Bangert of Purdue.

Nebraska will parade a powerful array of middle distance men, for Bobby Ginn, Dean Kratz, Al Brown, Blaine Young, Harvey Stroud and Bill Moorhouse will bid in the 440, 880 and mile runs. Four of these harriers will probably constitute the mile relay team, but Coach Weir has not named runners as yet.

Busy Performers.

Norval Barker and Ted Randolph will have plenty to do during the afternoon, as each is listed for competition in four events. Barker will run in both hurdle races, the 100 yard dash and the high jump, while Randolph is slated for duty in the high jump, broad jump, 100 yard dash and low hurdles.

Wes Maser Tops Hitters After 8 Tilts

Latest batting averages of the Nebraska baseball team show that Les Maser, fancy-fielding short-stop, paces Husker batsmen with an average of .312. Maser has collected ten hits in the eight games to date, and has appeared at the plate 32 times.

The biggest batting jump, however, was registered by outfielder Frank Brown who leaped from a mediocre .204 to an even .300. In last week's series with Iowa State the free swinging cleanup hitter pounded out four hits in six official trips to the plate to gain the charmed circle.

In preparation for the Missouri invasion Friday and Saturday, Coach Frank Smagacz has been using Fritz Hedgwood at second base in place of Bobby Rubino.

Husker batting averages:

WARREN BATEMAN, Colorado U. freshman, hopes for a repeat victory over Dick Miller, Big Six pole vault king this afternoon as the Nebraska Cornhuskers play host to the Buffaloes in a dual track meet. Bateman bested Miller in the Kansas relays, clearing 13 feet. Bateman is a veteran of many missions over Europe with the AAF.
