

Ragged Edges

BY PAT GILLIGAN.

With plans for a rally Thursday night to give the team a big send off—the football season will be in full swing. Friday—as soon as class schedules permit—many of the more fortunates will follow the boys to Minnesota, while those who stay behind may find a little more room at the various popular night spots.

Suzie Storz, who is making the trek with Sally Swiler and Sal Shirley, will get together with Don McKay for a big date in Minneapolis Saturday night. Taking advantage of Joy Hill's new convert, seen traveling the campus thoroughfare frequently nowadays, will be Joy's date, Bill Hess, and Lorene Novotny with Dick Toren, while Sam Seifert will motor to the game with Jack Higgins, "Punk" Schrader, Bob Cochrane, and Verne Calicotte. We understand their plans include some Minnesota femininity, also. Another sixsome making the migration will be Gene Weiler with Pat Warren, Junior Baughn and L. B. Johnson, and Fig Flagg and Margie Munson.

News that might be of interest to specific men on the campus is that Patti Holmes is now wearing a diamond on the third finger, left hand—which came from a California man—during rush week.

Al Bloom and Bob Keller seem to be taking frequent trips to Omaha this year and the reason is none other than Jean and Kay Bogan, who are now attending school there. There are a few steady deals which have withstood the storm after all. Speaking of steady deals, Chuck Anderson and Lucille Stryson, who became pinmates during the summer months, made the formal??? announcement Monday night at the Phi and Beta houses with the passing of the cigars and sweets.

Minus a Sigma Nu pin is "Face" Mayborn—altho he claims not to be suspicious—he was out with June Korb previous to the discovery of its loss. How about that???

Knives are flying thick and fast in the frats this year—with the excuse that the ratio of men to women makes new girls hard to find. One nip and tuck triangle is that of Jean Metzger, Tom Noble, and Chick Neal. Then there is Susie Alexander, who has trouble keeping Lynn Reed and Bill Wiseman from meeting each other coming and going. Mortar Board is planning wedding bells in the very near future with a certain frat man???
