

Nubbins Meet Iowa State B Team Friday

The University of Nebraska "B" team football squad opens a five game schedule Friday afternoon, September 27, against the Iowa State junior varsity in Memorial Stadium.

Listed among Coach Ray Prohaska's gridders are several men who have seen duty with the Cornhusker varsity in recent campaigns. A fact which gives indication of a long afternoon for the Cyclones. Last week end the Ottumwa, Iowa, Navy team became the first victims of the Cyclones by a five touchdown margin.

Starting lineup

Nebraska's tentative starting lineup lists Red Nausler and Jim Broberg at ends, Jim Sommers and Oscar Mussman at tackles, Bob Harrington and Dick Goeglein at the guard posts, and Gail Gade at center.

In the backfield are Del Weigand at quarterback, Hank Reichel and Harvey Stroud at the halves, and Wally Hopp at fullback.

Kick-off time is 3 p.m. on the stadium field. Price of admission is fifty cents for adults and ten cents for children.

Other scheduled games are as follows:

October 11—Kansas State at Lincoln.

October 25—Kansas State at Manhattan.

November 1—Midland College at Fremont.

November 9—Kansas University at Lincoln.

Cyclones Polish Offense; Await Northwestern Tilt

AMES, Ia.—Lessons in offense are the theme of Iowa State football practice all week long.

Coach Mike Michalske and his staff, satisfied the Cyclones know what to do when the other fellow has the ball, plan concentrated drills on offense. Failure to coordinate their offensive timing cost the Cyclones their chance to open with a victory against Colorado last Saturday.

Michalske indicated that improved signal-calling, better blocking, smoother timing, and more accurate passing must result if Northwestern is to be beaten.

Admitting there were bright spots in the loss to Colorado, Michalske pointed out that fine defense, good punting and veteran performances from freshmen just weren't enough. He said the Cyclones needed those things and wiping out of the mistakes made against the Buffaloes.

Call for Swimmers Issued by Lepley

Coach Hollie Lepley of the University of Nebraska swimming team has issued a call for prospective team members to meet him on Wednesday afternoon, October 2, at 5 p. m. in Room 1 in the basement of the Coliseum.

Anyone wishing to see Coach Lepley personally may contact him in his office on the second floor of the Coliseum between the hours of one and three any afternoon.

Bierman Has Uncertainties About Scarlet

MINNEAPOLIS, Minn.—"The spectators who come to Memorial Stadium Saturday expecting Minnesota to duplicate its one-sided triumph of a year ago over Nebraska are due for a big letdown when we meet the revamped highly-regarded and rugged Cornhusker crew here Saturday."

Thus does Bernie Bierman express his concern over what he fears may develop into a surprise "T" party by Bernie Masterson's invading Nebraskans at Minnesota's expense in the 28th renewal of a non-conference rivalry which began in 1900.

TWO HOLDOVERS.

Only two members of the "first team" which Bierman posted Monday have ever played football under him. They are Larry Olsonoski, left guard, and Tom Cates, left halfback—both holdovers from the '45 squad. Cates topped the Western Conference backs who carried the ball 50 times or more during the '45 season with an average of 5.45 per try. The other nine men are unknown quantities in so far as their capacities in competition are concerned. Five of them are newcomers to Minnesota football. Of the squad which will suit up for Saturday's game, 44 percent are freshmen and 31 percent are sophomores.

This means that Bierman is starting his twelfth season as director of Gopher gridiron destinies, "pretty much in the dark," as he puts it, "to the potentialities of the squad which is the greenest and rawest I have ever coached."

Indicating that he would not be surprised at a Nebraska victory, Bernie warns, "We had a letter recently from a former member of our staff who is now coaching in

the same league with Nebraska. He tells us that Masterson's boys are regarded down that way as the favorites."

43 Cornhuskers Named For Game

Scarlet To Leave For Opening Tilt At 8 P. M. Tonight

A forty-three man Cornhusker squad will make the trip to Minnesota for the University of Nebraska's first first football game of the 1946 season, Coach Bernie Masterson announced Wednesday afternoon.

The team will leave Thursday evening at 7:30, and will arrive at Minneapolis at 8:45 Friday morning. Masterson has ordered a limbering up drill for Friday afternoon at the Minnesota station Saturday.

Wednesday afternoon the Nebraska first string worked on defense while Pop Klein's freshman aggregation ran through Minnesota plays. Since Saturday's game is the first of the season for both teams, there are no scouting reports available.

Lack Quarterback.

The forty-three men named by Masterson compose four complete teams except for a quarterback. Only three signal callers, Sam Vacanti, Dick Thompson and Fred Metheny, will be included in the traveling party.

End Jack Hazen and Guard Eddie Schwartzkopf will serve as co-captains for the Nebraska team when the Scarlet takes the field in the twenty-eighth renewal of

the series with the Gophers.
