

# Ragged Edges

BY ELLIE SWANSON.

As the first week of school descends upon the campus, social activity reigns supreme, and if you are one of the luckier boys who have a date, I hope you will find your name in print . . . you certainly deserve it.

The event of the week end is without question the Minnesota game, and among the 1,700 students who will attend the match, we find Dick Klopp and Jane Condon, Bob Schulte with Charis Welles and Tish Gardiner with Johnny Rushton making a fine Beta Theta threesome. From the DG house comes rumor that Punky Rapp, Larry Landeryou and Mary Esther Duncan are also traveling Minnesota way, but their escorts are as yet unknown. Driving up are June Korb with sister Ruth Korb of Awgwan fame.

### New Pinning.

Newest pinning to date is that of Betty Lysinger who now sports Lou Reinhart's Sig Alph pin beside her arrow. A candy passing celebrating the pinning of Stan Premer and Liz Stuart found the Kappa Sigs in mass at the Alpha Xi house on Monday night, while brother Bob Diers is taking time off from university affairs to fly to Texas for his own brother's wedding. Still another brother, Joe Schultz is being seen quite regularly with Jo Bauer which fact includes a Saturday night date to the Pike.

The grape vine now informs us that Ware Christensen is back on the campus adding another available bachelor to the club; Friday night will find several couples at a party to be given by Larry Wentz. Normalee Stribbling will be with Leo Ramer, and others who will probably be seen are Mickey Sandberg with Johnny Binning, Bruce McMichael with Joanne Bixby and Jack Killian accompanied by Patty Wieland.

### Lucky Guys!

Many of us who are not among the fortunate few to be present at the game Saturday will nevertheless be listening with interest to our radios. One group includes Jan Schwartz with Deuel Andresen, Jean Harvey with Bus Black and Sandy Motter with Jim Stoddart, to mention but a few.

Journeying to the Pike Saturday and hoping to celebrate our first football victory will be Joan Fankhauser with Mickey McDermot, while Jody Harrison will be escorted both Friday and Saturday by Vic Bartlett. Friday night dan-

cers to Jerry Wald at the Pike are Jo Guenzel and Bob Nickerson, while Jean Hickey will undoubtedly be seen at several spots of interest with her date of Thursday, Saturday and Sunday, Hank Anderson.

Couples seen off of late and all of whom should be watched closely are Bill Waldie and Barbie Waldron, Dick Bogan and Mary Cox, and Stan Nordgren and Torchie Rediger. While these few settle down, Joe Philbert seems to be playing the field as his record of four coke dates a day reveals.

Even the news of interest is still plentiful, space seems to be limited, but not to be forgotten in the last minute rush of names are Fran Edee and Bob Jordan, who will head for Pawnee City this week end to visit her parents.

## Union Weekend Festivities Include Juke Box Dance

Interspersed with scores and developments in the nation's football games, a juke-box dance will be held from 2 to 4:30 p. m., Saturday, beginning the Union's week-end activities. There will be a faculty dance in the ballroom at 9 Saturday evening.

Sunday afternoon at 3 the Variety series will show "Jane Eyre," starring Joane Fontaine and Orson Welles. The coffee hour in the lounge at 5 p. m. offers piano selections by Peg Shelley.

## One Hour Gym Classes Remain Open For Men

Several activity classes of recreational nature each carrying one semester hour credit are still open for enrollment for men, according to a special announcement made today by Louis E. Means, chairman of men's physical education.

Several sections and classes are filled to capacity and will not permit additional and late enrollment. Means suggests, however, that students having already completed their enrollment can still go to their adviser and ask for an additional one hour course in physical education.

### New Classes.

One new class is P. E. 21 XVI, American Country Dance. This is a mixed class of men and women under the direction of Mrs. Christenson at Grant Memorial, and will be open to at least 12 more men. It meets at 9:00 MWF.

Another class is P. E. 21 XV, Recreational Sports, at 9:00 MWF and again at 3:00 MWF. A class for general recreational value is P. E. 21 XII, General Recreation, with three sections still having room for registrations; 11:00 MWF, 11:00 T-Th, and 5:00 W, and 2:00 MWF. Additional registrations can also be accommodated in some of the men's swimming classes.

Students desiring the Campusline to remain open until 1:30 p. m., sign this blank and return it to the Union Office.
