Phi Deltas Lead In IM Football

By RAY SODERGREN.

The intramural football season enters its final week Monday, and the league champions seem to be pretty well established. Phi Delta Theta appears as the team to beat, having turned back all opposition, finding the going tough only a couple times.

Lilies Strong.

In the independent league it looks like the Lilies are almost a cinch to win, after turning back the only other undefeated team, the YMCA, Thursday night. They came thru with an impressive 12 to 0 victory. Houtz starred for the winners as he caught both touch-down passes.

The Lilies have yet to meet the V-9's which may give them a tough battle when they meet Monday night. However, their team has yet to play a poor game and should come thru.

The independent standings are still somewhat in doubt, pending the outcome of the protested game between Presbyterian House and the Vet's Organization, which ended with an upset victory for the Presbyterians, 13-12. The Vet's meet the YMCA Monday in what looks like a toss-up game.

In the second-half playoff of a protested game, Sigma Nu held the lead they acquired in the first

Bobby Ginn First But UN Runners Fall

The University of Nebraska two mile team dropped its second meet of the season Saturday morning in Memorial Stadium, to the University of Missouri. Although the Huskers copped first place, Missouri took the next three positions to win by 25 to 30.

Nebraska's ace runner, Bobby Ginn led the field throughout the entire eight laps, and had enough reserve power left at the finish to widen the gap between Missouri's Bill Slagle and himself to twenty yards.

The next eight runners in the order they finished were Bob Bosworth, Missouri; Dick Kilough, Missouri; Don Morrison, Nebraska; Bill Chronister, Missouri; Phil Meyers, Nebraska; Harold Kopf, Nebraska; Jim Martin, Nebraska; Gene Friel, Missouri.

Ginn's winning time was 9:59.
