

### Nubbins Cage Slate Includes 14 Encounters

As soon as Varsity Coach Harry Good pares his squad down to playing size, the Nubbins basketball team will start practicing as a separate unit.

Coach Tony Sharpe has scheduled 14 games for the second team in addition to four intra-squad games that will be played as preliminaries to the varsity games.

With the wealth of material available this year, the Nubbins should receive some very capable hoopsters even after Coach Good has selected those he wishes for the varsity.

The second team schedule is as follows:

- December 4—Intra-squad game (South Dakota U.); 7—Intra-squad game (Ottumwa Navy); 9—Intra-squad game (Drake); 17—Norfolk Jr. College (St. Mary's).
- January 6—Intra-squad game (Oklahoma); 11—Western Union College; 14—Midland College (Kansas U.); 17—At Morningside College "B"; 22—At Concordia College.
- February 4—Morningside College "B"; 8—At York College (Iowa State); 15—At Kansas State "B"; 18—At Midland College; 22—York College "B" (Missouri); 27—Kansas State (Kansas State).
- March 1—At Western Union College; 4—At Norfolk Jr. College.

The games in parenthesis following the Nubbins games are the varsity games which will be played the same evening as the main event of a doubleheader. All Nubbins home games begin at 6:30.

## Nubbins Edge Past Frosh by 12-6 Count

BY WALT LOOMIS.

In a ragged game marked by numerous fumbles, blocked kicks, and generally poor play, the Nubbins eked out a 12-6 victory over the freshmen Friday afternoon.

The cold, damp weather added to the poor quality of play, as neither team could make any sustained drive without losing the ball through some bobble of their own.

The game was played straight through the 60 minutes without any quarters or halves, and the tiring effect on the players began to show itself in the latter stages of the game.

The first scoring threat was made by the freshmen when Fox blocked a punt and the freshmen recovered the ball on the Nubbins' 10-yard line. Two plays later, a pass interception put a halt to this march however.

#### Ackerman Runs.

A short while later, Bob Ackerman took a pass from Del Wiegand and scooted to the Freshmen seven yard line before being overhauled from behind. The pass and run were good for 80 yards.

On the next play, fullback Darwin Salestrom went off tackle to put the B team in front by 6-0. Jerry Jacupke missed the try for extra point.

After the kickoff, the freshmen picked up one first down and then on fourth down a punt was blocked. Two Nubbins men raced for the ball which bounded back-

wards to the freshmen 15-yard line. Ralph Damkroger scooped up the ball and went over for the second tally. Again the kick was no good.

The freshman score came on a fluke play which was disputed by the Nubbins.

#### Freshman Score.

Having raced down under one of the freshmen punts, Fox fell on the ball in the end zone and the officials ruled that Ray DeBolt, playing safety for the Nubbins, had touched the ball as it rolled towards the goal. The try for extra point was partially blocked.

A continual series of fumbles, intercepted passes, and blocked punts gave both teams numerous opportunities to score later in the game, but all these threats were ended by ragged playing.

Scoville, Hawkins, and Kimball looked to be the best of the first year men, while the broken field running of Ackerman was about the only bright spot in the Nubbins attack.
