

### Physics Prof. Speaks on Vet Forum Today

"Can there be peace in our time?" will be discussed by Dr. C. H. Patterson of the physics department, Dr. Werner of the department of Education and Don Kimmel, president of the Veterans' Organization at the last of thirteen broadcasts conducted by the Veterans' Organization.

Scheduled for 4 p. m. today in the Union lounge, the broadcast will conclude a thirteen-week series.

#### Audience Opinions.

Following the discussion, floor microphones will be taken to members of the audience in order that they may express their opinions.

Students and faculty are invited, according to Richard Sinsel, Veterans' Organization public relations chairman.
