

# DiBiase Win Highlights IM Wrestle Card

Eight new champions were crowned in the finals of the all university wrestling tournament Tuesday evening. Championship medals were presented to the champions at the end of each bout and a trophy went to the winning organization after the final match.

The fans were given a glimpse of Mike DiBiase, National A.A.U. king, who was in action at half-time of the U.N.-St. Mary's basketball game. Before most of the crowd knew what was happening the bout was over. DiBiase slipped a half nelson on Keith Manning and pinned him in 31 seconds. DiBiase stretched his 235 pounds over Manning and the heavyweight from David City couldn't move a muscle. The time of 31 seconds is the record for the quickest fall in the tournament.

Mickey Sparano gave Pat Mack a thorough going over in the 128 pound class. Sparano amassed ten points against Mack before pinning him in 3:42 and was never in serious trouble.

Sam Kais took everything Dick Hill had to offer and then proceeded to throw him 5:44 in the 145 pound class. Don Taylor managed to squeeze out Marlin Watt by one point in the 136 pound division. Taylor gained his margin of victory with an escape late in the third round after it looked as if they were headed for an over-time skirmish.

### Close Match.

In the 155 pound division, Andy Marinkovich nosed out Ray Staroska 5 to 4 by virtue of his time advantage points. Staroska was hampered somewhat through the bout with a bloody nose suffered in the opening period.

Smooth-working Ken Brown outsmarted Dick Lee as he pinned his man two seconds before regulation time ran out in the 121 pound bout. Prior to this point Brown had a slender two point advantage.

Bob Poe decisioned Bob Shalund 5 to 3 in a rough battle to decide the championship in the 175 pound class.

In the final bout of the evening Marshall Boker proved to be a little too much for Chick Thorne to cope with in the 165 pound division. Boker walked away with the victory as he piled up an 8 to 1 decision.

### Trophy Presented.

Coach Jerry Adam presented the trophy to Chick Thorne of Phi Delta Theta, the winning fraternity, at the close of the tournament. The Phi Deltis under the leadership of Thorne entered 11 men and were well out in front in the frat group.

An independent group composed of Omaha boys, however, made the best showing. The Omaha club entered eight men in the tournament and had five individual champions from their group.

## Phys Ed Clubs To Hold Joint Christmas Party

There will be a joint Christmas party of the Men and Women's Physical Education clubs December 19, 7:30 p. m. at Grant Memorial Hall. The party will include all physical education majors and minors and the respective staff members.

The main feature of the program will be talks by Miss Mabel Lee, director of women's physical education and Louis E. Means, director of health, physical education and intramurals.

The remainder of the program will include co-recreational activities such as volleyball, ping-pong, bowling and dancing. The program will be concluded with carol singing, and ice cream and cookies will be served.

Since the men's club is a new organization on the campus, this party marks the first get-together of the two clubs.

An indoor airport large enough to allow airplanes to taxi on its runway was constructed on two Paramount stages for the aviation epic, "Blaze of Noon," story of early commercial airmail.

"Fright wigs" used by Spike Jones and his City Slickers in Paramount's 36-star "Variety Girl" cost about \$300 each. The mad maestro had the wigs made by one of Hollywood's foremost coiffure experts.
