Another Chance . . .

The Cornhuskers will be host tonight to another Big Six contender, this time Kansas University. Athletic competition between the two schools has existed for several years and good sportsmanship has always been the byword. That same good sportsmanship is as important now as when the two schools first met, and its existence or non-existence will depend tonight on the student body.

Several opinions have been voiced on the subject, placing the blame on the student body, the people of Lincoln, the referees, and anyone else who seemed handy. In all fairness, it appears that the blame for the excessive amount phy room the pin was hung.

A pertinent question is, "Why of booing of late rests on the shoulders of all those concerned, student body and other patrons included.

UN has a nationwide reputation for its good sportsmanship and fair play in all phases of college activity. Then why such a complete reversal of policy, we ask? When we settle down to the basic facts, the situation isn't half as serious or as extensive as grapevine talk has made it. Large crowds naturally mean large amounts of noise, of any and all kinds. Resounding boos at the games so far this year are emphasized by the crowded coliseum.

However, that's no excuse. Surely Cornhusker spirit is still with us, and unsportsmanlike activity has no part in Husker camp. Best attend the game en masse but limit the cheering to the yeas and not the nays. The team is counting on you.

Set Hands.

Under the supervision of Dale Ball, Saturday's tournament will be played with set hands. Scoring Louisville high school. will be based on the difference between the actual score made and the best possible score obtainable as determined by the original set up of the hands.

The teams invited to play Saturday include: Robert Johnson and Charles Dickey; Allen Mavis and Harry Marsh; Bill Line and Lois Brown; Dick Rogers and Jack Terry; Joseph Casmir and Stanley Cooke; Vern Holmes and Ben Karas; William Tyson and Ben Karas; William Tyson and Jerome Druliner; Kermit Rohde and Robert Havens; Robert Brandt and Dean Ihrie; Bill Campbell and Dick Fuller; Kay McKay and Jack Carey; Walter Wollfert and Orville Schmieding; Lee Farmer and Fred Dickenson; Mr. and Mrs. Fred Stiner; Stanley Johnson and J. C. Wilson, and Joe Saultz and Ward Quilter.

The Herman Herd turns in an outstanding performance on an oldie which is now enjoying a re-vival, "Stars Fell on Alabama." The vocal is by Woody and the Blue Moods, who do a great job of harmonizing on the song. The scoring features the vocalists and a short break when the baritone weaves in prior to a tenor go by Flip Phillips. The reverse of this disc is a feeble attempt by the herd at something with a Latin flavor entitled "The Sidewalks of Cuba." Woody drags out his clar-Inet for a while and then comes the highspot of the side, a fine trumpet solo on a "Flight of the Bumble Bee" kick. The side then drags on to the finish.

Rumors are flying, but we have Bob Orr the straight dope that Sue Burgess and Howie Esser are going steady as of last Saturday. Speaking of Kappas, we might mention that Helen Hummel and Bill Stuht are giving each other more time than is necessary.

This time may be the charm for the second pinning of Judd Ankrom and Barbara Wendle which took place Sunday evening. It seems that Judd tried first the bridge table without success, but after a few minutes in the concealing darkness of the Sig Alph tro-
