V-5's 33, Bluejays 32.  
Hufnagle Field 25, Whiz Kids 15.

**BY LEE HARRIS.**

A fiery Beta Theta Pi basketball team Tuesday night turned in what proved to be the best performance of the first round playoffs held in the UN Coliseum. The Betas played inspired ball as they turned back one of the pre-tourney favorites, Phi Delta Theta, 32-28.

The Phi Deltas were in command most of the way and especially during the first half. However, the Betas fighting back from a three point deficit, took full advantage of every break in the second half to finally take the lead for the first time with seven minutes to go at 22-20.

After that they were never headed despite steady aggressive brand of ball that was thrown at them by the Phi Deltas.

The game was by far the best played in any IM Loop this year and marks the Betas as a definite threat to any contender for the IM crown.

The victory eliminated a team that swept through all league opposition with ease and had been seeded one of the top spots in the playoffs.

Sigma Chi 45, Farm House 20.  
In another playoff game, Sigma

Chi disposed of Farm House 45-20. The first half ended in favor of the Sig Chis, 22-15.

Until then the game had been played on even terms, but in the second half the accurate shooting of Jim McWilliams took toll of the Farm House hopes. McWilliams pushed through 21 points to cop honors in the scoring department. Dankroger led the Farm House with a total of eight. Box score:

V 5's 33, Bluejays 32.

Also competing for honors were the independent teams. The best of the two games played between independents was the overtime tussle staged by Blue Jays and the V 5's.

The game ended in a 30-30 tie after the V 5's had been awarded a technical foul shot. This lone point caused a three minute overtime in which the V 5's rang the bell three times coming out on top 33-32.

In another independent game the undefeated Hufnagle Field five kept its unbeaten string intact as it knocked off the Whiz Kids 25-15. Darwin Salstrom gathered in 12 points for Huf-

nagle to lead in the point department. The game was mostly a defensive battle with both teams having trouble hitting the hoop.

Whiz Kids trailed at the half 15-8 and never again served as a real threat to the potent victors.

**B Team Games.**

In B league play the Phi Deltas regained some of their lost prestige through their loss to the Betas by knocking off the Sigma Chi B team by the score of 20-16.

The game was close all the way with Sigma Chi in command of an early lead only to lose it near the half. After tying at 8 all shortly before half time, the Phi Deltas went ahead and stayed in the lead. Jim Moore led scoring for Phi Delta Theta with 7 points.

In the other B team contest, Phi Kappa Psi had little trouble with Farm House as they won 37-27. The Phi Psis played steady throughout and looked good defensively. Liggitt led with eight buckets and one gift toss for a total of 17.

Gard managed to account for 15 of the Farm House total.

## Nebraska Track Mentor Weir Ill

Ed Weir, Nebraska track coach, is absent from his tutoring duties because of illness.

The UN coach is at the Lincoln General hospital and is expected to be on the ailing list for about three weeks.

Veterans Administration is operating 123 hospitals now, but it eventually expects to have more than 200 in order to handle the anticipated load of veteran-patients.

**Swimming Club**  
Swimming club will hold an important meeting tonite at 7:15 in the Coliseum, according to Jeanne Branch, president. All members are asked to attend as practices for the annual Spring Revue will begin.

Only 85,000 of the 14,000,000 World War II veterans had exhausted their entitlement to unemployment allowances by last Dec. 1, Veterans Administration said.

# We're tobacco men... not medicine men... OLD GOLDS are made for enjoyment!

Frankly, we're bewildered as you are by all the hoop-la about laboratories, tests, and medical claims. We agree: a cigarette is supposed to give you pleasure. Period.

And your pleasure is the sole aim of the advanced scientific techniques we use in the making of OLD GOLDS... the best, deepest, richest smoking pleasure you've ever found in a cigarette!

If that's what you're after... if top-quality tobaccos at the peak of flavor are your idea of a perfect cigarette... then OLD GOLDS are your answer. Try 'em—for pleasure's sake!

If you want a TREAT instead of a TREATMENT... smoke O.G.s!
