

## HUSKER HIGHLIGHTS

By George Miller

### Wright Tops 'B' Quintet Bucket Aces

Thurman Wright, Richmond, Indian's contribution to the highly successful Nubbins Basketball squad led his teammates in points scored during the season, a compilation of "B" team statistics revealed.

The torrid forward sunk in 52 field goals and hit 19 out of 34 charity tosses for a total of 123 points. Bob Robinson followed Wright with 71 scores.

Wright also led the team in the matter of field goals (52) and tied for the free shot lead (19). Bill Saler also dropped 19 free tosses. Al Bergquist of Lincoln had the dubious distinction of committing the most fouls, collecting 25 in the ten games in which he played. Bergquist partially redeemed himself by sinking 15 of 19 free shots, an exceptional mark in any league.

Wright won high point honors in seven of the Nubbins' games. No other player was able to accomplish this more than once.

Tony Sharpe's aggregation lost but two of the 15 games they played, to Kansas State "B" and to Western Union. Both of these games were played on foreign courts, and the Nubbins were able to beat the two teams by a substantial margin when playing on the Coliseum boards.

### No Sunshine--No Workouts For Gridders

The weatherman refused to cooperate with Nebraska's football plans and as a result Head Coach Bernie Masterson was forced to call off the opening of spring drills.

According to the revised plan the Husker gridgers will begin workouts next week on Monday, March 17, and will work six weeks. Half of the spring training period will be held before spring vacation and half of it following the recess.

#### Week Layoff

Players will forget about pigskin practice during the week of spring vacation.

Masterson expects about 150 players to turn out for the spring work sessions.

### Boxing Entries Due March 13; Drills Needed

All students entered, or contemplating entering, the all-university boxing championships scheduled for March 18-19-21 are reminded that they must comply with at least six supervised practice sessions before competition will be permitted. Entries must be submitted by Thursday, March 13.

All next week, even while the state high school basketball tournament is in progress, boxing workouts will continue daily under the supervision of Coach Jerry Adam in the Coliseum basement. Men may report for practice daily from 3:00 to 6:00. It is imperative that all contestants be in the best physical condition.

If, during the basketball tournament next Wednesday, Thursday, and Friday, entrants find it impossible to get into the Coliseum through the front doors, they will be able to enter the Coliseum basement through the lower west side door for their workouts.

Weigh-ins and medical examinations will take place Monday, March 17 from 4:00 to 6:00 in the Coliseum basement and all entrants are required to be present at that time.

## Michigan State Mat Squad Trounces U.N.

Winning all bouts except the heavyweight finale, the Michigan State wrestling squad swept to a 25 to 3 win over the University of Nebraska matmen Monday night at the coliseum.

Mike DiBiase was the only Husker able to break the visitor's monopoly on the winning points. The Scarlet husky piled up a 5 to 1 decision over Robert Maldegan, Spartan heavyweight. DiBiase could not pin his foe, but scored a take down, an escape, and had a time advantage worth one point.

Two falls occurred during the evening. On the 145 pound class Don Johnson of Michigan State finished off Neal Munson in 8 minutes and 50 seconds after holding the advantage all the way. Munson replaced the UN regular, Jack Tamai who was out of uniform because of a death in the Tamai family.

#### Second Fall

The other fall came in the 155 pound class when Don Anderson was able to flatten Marshall Boker in 7:45. The compact Spartan matman was too small for Boker and was able to outlast the Husker.

Nebraska grapplers failed to collect any sort of a point, even in individual scores, until the 135 pound match when Jack Barrett gained a tally due to stalling by his Michigan State opponent.

As it was, points were mighty sparse on the Huskers side of the ledger. Andy Marinkovich picked up another stalling point and also escaped for a counter in his bout with red-haired Jim Dowell of the

visitors. The only other Nebraska point was turned in by Fred Turner who got an escape against Burl Boring in the 175 pound go.

The match was the final home appearance of the season for the Nebraska team. Coach Jerry Adam's grapplers will close the season with the Big Six conference championships this weekend at Ames, Iowa.

Iowa State will be favored to take the title, with Kansas State, Oklahoma and Nebraska battling for the runnerup spot.

121 pounds—Eugene McDonald (MS) decisioned Bob Yambor (N) 6-0.

128 pounds—Richard Dickenson (MS) decisioned Mickey Sparano (N) 4-0.
