

Scarlet Baseballers Leave on Road Trip

An acid test looms for the Husker baseball team this weekend, for the Scarlet nine will meet two Big Six foes in two-game series.

First stop on the trip will be Norman, Oklahoma, where Coach Tony Sharpe's squad will play the Sooners Friday and Saturday. On Monday and Tuesday the team will move on to Columbia, Missouri, for a pair of games with the Tigers.

The Huskers are undefeated in Big Six competition at present, boasting two wins over Kansas University.

Fifteen players have been named for the road jaunt. The traveling squad left Thursday morning by bus.

Hope Reports Hollywood Life With Lamour Unemotionally

BY BOB HOPE.

I'm supposed to get out of character and do a serious piece for your newspaper... all about interesting sidelights on life in Hollywood, dodging Colonna, making movies and records with people like Dottie Lamour.

No kidding, that's what they asked for. Make it unemotional, they said. Give us the straight dope. Tell us how it's done.

Imagine! Did you ever try being unemotional with your favorite brunette taunting you all over the set? Did you ever try singing over Dottie's shoulder and keeping your eyes on the sheet music?

It can't be done. And anyway, who wants to be unemotional about a thing like that?

Lamour. Take our last picture, for example. I could have won Dottie

be declared five minutes after the scheduled time of the game. The big feature of the softball play this year will be the twilight games that are scheduled at 6:30. This will enable all players to compete in such games since classes could not conflict with this time.

Seven Innings.

All games will be seven innings in length unless both teams mutually agree to end the contest before that time. Officials will be furnished by the teams with each team furnishing one official.

Contrary to the policy carried on in all other intramural activity this year, cancellations will come only from IM headquarters and the only cause for deviation from the regular schedule will be rain.

Bats, balls, and catcher's equipment will be furnished by the intramural office and may be checked out at the cage in the coliseum.

Track Team Looks to KU Relay Carnival

Coach Ed Weir and his Husker cindermen will travel to Lawrence, Kansas to vie for honors in the Kansas Relays on Friday. The list of Scarlet entries will be announced today by Coach Weir.

Private automobiles were to be used to transport the squad to the relays, but instead a bus has been chartered, so a larger group will be taken. Nebraska will be represented by a larger team than participated in the Texas Relays. Workouts have been somewhat handicapped during the week due to bad weather.
