

HUSKER HIGHLIGHTS

By George Miller

The showing of the Nebraska track team Saturday against the Missouri Tigers convinced even the most die-hard Husker fans that Coach Ed Weir's cinder specialists will have to produce what must be classed as a minor miracle if they hope to bring the Big Six track and field championship to Lincoln a week from Saturday.

Missouri's 43 point margin of victory was just as decisive as the figures indicate. Only in the javelin were the Huskers able to place men in first and second spots. To counterbalance that showing, the Columbia invaders swept three places in shot put and discus events.

After bowing to Missouri and Colorado by top heavy margins on successive weekends, the Nebraska squad looms as capable of producing four or five individual champions, but lacking the all-around strength and balance necessary for a loop title.

Six places will be awarded in the conference fight, and the teams able to pile up points in lesser positions will be able to offset a scattering of individual champs. Ineligibility and injury woes may alleviate by conference meet time, but unless unsung performers blossom overnight the NU chances will have to be centered on snaring second place from Kansas and Oklahoma.

Dick Piderit's absence in the weight events is especially aggravating. The husky Lincolnite was steadily increasing his shot put distance at the close of the indoor season, and with Missouri's Ed Quirk said to be out of the meet because of an ankle injury, Piderit could give Kansas State's Rolland Prather a fight for first place.

Bill Moomey, Fritz Ware, Loyal Hurlbert and Jim Martin will bolster the Scarlet scoring power, but even with these runners on hand, the Nebraska squad has its work cut out if the Huskers hope to capture the conference crown they lost by such a narrow margin to Kansas University last year.

An interesting sidelight of the Husker-Bengal meet last Saturday occurred following the 440 yard dash. Missouri's Dick Schmidt was declared the winner.

Schmidt wasted no time approaching the officials and asking that the decision be reversed to include both himself and teammate Dick Ault as the winners in a dead heat.

"He slowed up to wait for me at the tape," Schmidt declared, "and it's not right for me to be the winner." The Tiger quartermiler convinced the judges of the finish, and the decision was amended to give both Schmidt and Ault a share of first place.

Word from the Indiana gridiron headquarters indicates that in a search for a replacement for Quarterback Ben Raimondi Hoosier mentor Bo McMillan has installed Rex Grossman at the signal calling slot.

Raimondi's absence left the Indiana squad devoid of experienced field generals, so the ponderous fullback was shifted to quarterback.

The Hoosiers climaxed their spring drills with an intra-squad game pitting the probable varsity against a hand picked squad which included promising freshmen, ineligible varsity players and a sprinkling of former Hoosier stars, including Vern Huffman, Indiana quarterback who was copiously bothersome against Nebraska in prewar days.

Records Shattered In Four IM Tests

BY LEE HARRIS

Despite a stiff south wind that hindered runners all the way, new records were posted in all of the four events held Monday in the 1947 Intramural Track Meet. Leading the relay teams were the Delta Upsilon runners who won first place in the 440 Relay and took second in the Sprint Medley Relay.

The first record to fall in the meet was the 440 yard Relay Record held by ATO. The old record of "48.2 was bettered by more than a second as the DU runners clipped off the distance in "46.8. Not only did the DUs beat the old record but teams from the Field House, Sigma Nu, and Sigma Alpha Mu also finished within the old mark. In the other relay held Monday, the P. E. Club finished strong to cop honors and also post a new record with the time of 4:04.3. The old mark held by the Cornhusker Co-Op was 4:07. Phil Sprague the anchor man of the winning team was content to run second until the stretch and then with the wind at his back he put on a strong finish and came out 25 yards ahead of his nearest opponent. The Delta Upsilon was second in the Sprint Medley, and Phi Delta Theta ranked third.

The Broad Jump was won by Barker of Sigma Nu with a jump of 21.3 feet. This was another event in which last year's record fell. The old mark belonging to Jim Myers of Phi Gamma Delta was 19:11. Rolland Emmett of Beta Theta Pi came second in the broad jump with Bostwick of the Field House taking third place honors.

The fourth event of the afternoon was the shot put and here Rodney Cox of the Field House broke all marks with a heave of 48' 11". The previous record was held by Dick Schleiger at a distance of 46' feet. Behind Cox was Bill Kimball of Sigma Alpha Epsilon who also bettered last year's throw as he tossed the 12 pound weight out 47' 8 1/2". A third contender, Jake Pesek of the Field House kept right in stride by beating the old mark with a toss of 46' 5 1/2".

Tomorrow will be the final day for the meet. On the schedule is the pole vault, discus throw, hurdles and the high jump. The events will start on time and all contestants are urged to come early in order to take proper warm-ups.

The first day's events were run off in fine order with low means directing the activity. If Monday's competition is an example of what is to come today, the meet will be the best ever held by the intramural department. The meet will count in the Jack Best race with fraternity totals being added after the all independent contestants are taken out.

State high school track meet.

Varsity athletic teams will be out of town or inactive this week, leaving the university scene free for the annual state high school track and field meet which will be staged Friday and Saturday afternoons at Memorial Stadium.

Top Number.

The number of prep athletes and high schools to be represented in the 1947 track carnival is the greatest in history. Athletes will compete in four classes.

Each Tony Sharpe's baseball squad will wind up its Big Six play Friday and Saturday at Lawrence, Kas., against the cellar-dwelling Jayhawks. In an earlier double-header at Lincoln, the NU nine won both games.

Golfers Away.

The Nebraska golfers will journey to Iowa State Friday, accompanied by the Scarlet tennis teams. The net squad will continue on to Ottumwa, Ia., for a Saturday engagement with the Ottumwa Navy racquet wielders. Husker trackmen will be idle awaiting the Big Six track and field championships which will occur at Memorial Stadium on May 23 and 24.

No Activity Books
Students are minded that student activity tickets will not be honored for either the state high school track championships on Friday and Saturday, May 16 and 17, or the Big Six track championships a week later on May 23 and 24. Both affairs will be held at Memorial Stadium.

The University of Missouri Tigers continue as the pace-setting ball club in the Big Six baseball race. The "Show-Me" boys are on top with five wins and two defeats for a .714 average. They will give Oklahoma and Iowa State opportunities to prove themselves this week, playing two games with each club.

Kansas State, the number two outfit, engages Washburn University at Manhattan, Kansas today for the Wildcats' only game of the week.

The Cornhuskers from Lincoln wind-up their conference play this week against the University of Kansas at Lawrence, with single games on Friday and Saturday. The Huskers currently hold down fifth place with a .462 average.
