

Missouri Wins . . .

(Continued from Page 1.)
was named by coaches as the winner of the Henry Schulte memorial trophy.

Harry Guth and Dick Ault of Missouri were the only double winners, but a Nebraskan, Harry Meginnis, wound up as the leading point scorer for the afternoon. The unheralded outdoor find, who did not compete during the indoor season, won the broad jump, placed second in the 220 and fourth in the 100-yard dash to take scoring honors.

Meginnis waited until the tag end of the broad jump to hop off the board 23 feet 8 3/4 inches to replace Bob Teel of Missouri at the head of the standings in this event. Teel's jump of 23 feet 5 3/4 inches which he made Friday was good for second place.

Firsters were few for the men of Coach Ed Weir. Bobby Ginn won the mile, Don Cooper took the pole vault and Herb Grote repeated in the javelin for the only ten-point performances in the Scarlet camp.

Double Falls.

Ginn's attempt to turn in a double victory failed as the Madison mite dropped far off the pace in the 880. Dick Killough of Missouri rushed past Nebraska's Harold Kopf on the home stretch to win the race in the blistering time of 1:54.8.

In the mile, however, Bobby left no doubt as to his command. Taking the lead at the start of the gun lap, Ginn pulled away from all contenders was far ahead of his closest rival, Bill Bosworth of Missouri, at the tape. Ginn was clocked in 4:19.3.

Vaulter Cooper had three tries at breaking Harold Hunt's old standard after winning the conference championship with a mark of 13 feet 3 inches. The bespectacled York athlete failed in three attempts at 14 feet 1 inch, although he barely missed on his first leap. The record is 14 feet 3/4 of an inch.

Coach Tom Botts' Tigers were everywhere during the afternoon failed to score only in the javelin. Nebraska and Kansas had a strangle hold on javelin points, as Grote brought ten to the NU total with his first place cast of 197 feet 1 3/4 inches and Jayhawk spearman swept the rest of the places.

Nebraska approached this feat in the 220 where Meginnis, Thompson and Conner finished second, third and fourth. Harvey Stroud added another point with a sixth place finish.

Harvey Fades.

Hurrying Harvey was unable to break into the quartermile standings. The North Platte thinman was in contention during the

Aggies Lose In Big 6 Bid

Oklahoma A. & M. was denied membership in the Big Six by faculty representatives at a meeting Friday in which a motion to include the Cowboys in the loop was presented by the University of Oklahoma.

There was no second to the Sooners motion, but a motion to postpone action on the question was passed. No future date has been set to reopen the question.

Other actions by the faculty representatives included reinstatement of five Nebraska athletes and four Kansas athletes who had been declared ineligible for conference competition because of playing off-campus basketball. The Husker athletes returned to good standing were Dick Thompson, Neal Mosser, Bob Means, Wald Winter and Bernie Bieterman.

Football competition between freshman teams of Big Six member schools was abandoned. Earlier plans had called for a maximum of two games for freshman teams against other conference frosh elevens.

early stages, but faded in the drive for the tape.

Madill Gartiser, Bengal stand-out in the 100 yard dash and both hurdle races, pulled a muscle as he finished second in the century sprint and was scratched from the barrier races.

High jumpers other than Scofield found the ceiling extremely low. Don Smith of Iowa State won second place with a performance 6 feet 1 1/4 inches. A leap of six feet was good for a tie for third, and a 5 foot 10 inch jump netted a tie for sixth. Husker Monte Kinder, far below his early season form, shared in the third place tie at six feet even.

Southwest Duel.

Winners of the first three places in all events won an added prize. Big Six faculty dons decided in favor of a proposal to match the best of the conference with the top three men in each event from the Southwestern Conference meet. The inter-conference carnival will be staged at Dalls, Texas, on June 13.

Paul Hyland Wins IM Golf Tourney

Paul Hyland of Beta Theta Pi won first place in the intramural spring golf tournament by defeating Garth Lof 2-1 in the final 18 hole match played at Pioneer.

Hyland finished his final round with a four over par 76, while Lof ended his tour of the course with a 78. Score:

Par out	544	345	344	—36
Hyland out	545	356	344	—39
Lof out	545	355	354	—39
Par in	454	345	434	—36—72
Hyland in	554	435	434	—37—76
Lof in	445	446	534	—39—78

Leading Five Teams Named For Driving

Finals of the intramural golf driving contest will be held Monday, May 26. All men are urged to check their status on the coliseum bulletin board and be ready for the finals if they have qualified.

A team trophy will be awarded to the team having the best four-man average, with each man shooting three balls. The team may be composed of any of the men who shot in the preliminaries and not necessarily the four highest shooters in the preliminaries.

There will also be finals to determine the longest-drive winner. Any man having a drive or drives of 250 yards or better is eligible. But he will only be allowed to shoot the number of balls that went 250 or better in the prelim-

Spring Basketball Practices Close

Coach Harry Good's basketball aspirants brought workouts to a close Thursday night. The final week of the three-week session was highlighted by several scrimmages.

Main emphasis during the spring drills was placed on offensive tactics.

inaries. Men having two of their three shots in the fairway, with at least one ball of 250 yards, or men having all three shots in the fairway with any distance, will be permitted to participate for

The following are the team results of the preliminary shooting. The first five houses will compete in the finals.

Phi Delta Theta (Total of their 4 best men)	2850 yards
Sigma Phi Epsilon	2807 yards
Sigma Alpha Epsilon	2594 yards
Phi Gamma Delta	2475 yards
Beta Theta Pi	2420 yards
Phi Kappa Psi	2090 yards
Beta Sigma Psi	1995 yards
Sigma Nu	1942 yards
Zeta Beta Tau	1510 yards
