Student Activities Ticket Sales Campaign Begins

Student activities tickets, priced this year at \$7.20, will go on sale for three days in the Coliseum lobby at 9 a. m. Thursday under the direction of Max Peterson, Athletic Business Manager A. J. Lewandowski announced today.

Ticket booths will be set up in the Coliseum for the sale. Students must present their identification cards when purchasing tickets.

Increased price of \$7.20 is necessitated by the five home games on this year's football schedule. Nonstudent season tickets have been increased from \$13 to \$15.

Ticket Blocks.

One booth will be used exclusively for the purchase of ticket blocks by fraternities, sororities, campus organizations and individuals wanting a block of tickets together. No single block will exceed 200 seats. Larger organizations should be split into appropriate sized groups before purchasing tickets.

Identification cards for each member of the group, together with the money covering the required number of tickets must be presented by the organization's representative, Lewandowski said.

At the time of the purchase the

individual student or group representative will draw one of 4,000 numbers from a special lottery box. This number will designate the order to be used in the actual assignment of reserved seats to the individual or group.

Tickets will be ready for distribution Monday noon, Sept. 22.

The booths will be open at 9 a. m. all three days, remaining open thru the noon hour and until 9 p. m. Thursday and Friday. The sale will close at 12 noon Saturday, Sept. 20.

Veterans may obtain their tickets either as individuals or thru student organization to which they belong. Those veterans with families may obtain student tickets for their wives and children as last year.

New faculty members wishing activities tickets and who have not already done so should make application to Max Peterson in the Student Activities Office.
