

Women Asked To Participate In UN Debate

Women will be invited to participate in interstate debate for the fifth consecutive year at the initial meeting of the University debaters Wednesday, Sept. 30, at 7:15 p. m. in Room 201 Temple. Coach Donald Olson has announced.

Until 1942, only two women had represented the university in an interstate debate. In the fall of 1941, under the leadership of Dr. Leroy T. Laase women were asked to participate in debate for the first time in forty years.

Much Controversy.

The question of admitting women to the debate squad has been a subject of much controversy. When the Debating Association was being reorganized in the fall of 1901, the word "male" was struck from the membership clause by a vote of 14 to 7.

From the Daily Nebraskan of Nov. 11, 1901, comes the comment: "The (debate) session last night was a stormy one and considerable wrangling was indulged in. Some of the arguments against admitting women to the debate team charged that the women who had been in the association had taken advantage of their sex and that one of them had not paid dues owed to the association!"

The basis of admission of women to the debate squad which has existed since 1941 is based on the lack of a definite rule in the university prohibiting women from participating in intercollegiate debate. Whether or not there is a woman's debate team this year will depend on how many interested and competent women debaters turn out.

Psi Chi.

Psi Chi, honorary psychology society, will meet Monday, Sept. 29 at 4:00 p. m. in Room 224, SS to elect officers.

Intersectional Foes to Test Loop Gridders

Big Six football will swing into full scale action this week end as all conference teams perform against intersectional foes.

The Cornhuskers from Nebraska will inaugurate their 1947 season in Memorial Stadium against Indiana of the Big Nine. Kansas State, out to avenge last Saturday's 12-0 loss to Oklahoma A & M, will meet the Southerners from Texas Mines. Missouri's Tigers, fresh from a 19-0 victory over St. Louis university, will tangle with Ohio State's Buckeyes.

Kansas university will go against Denver U. The Jayhawks will try again for their initial victory after being held to a scoreless tie by Texas Christian in last Saturday's tilt. Other contests will send Oklahoma to Detroit university and pit Iowa State against Colorado U.

The Iowa State-Colorado game is of special interest in Big Six circles since Colorado will be playing football under the conference banner in 1948. Coach Yeager's Boulder Buffaloes have plenty of weight in the line and speed in the backfield. Two newcomers, Harry Narcisian and Malcom Miller, along with triple threat, Tex Reilly, give the Buffaloes a backfield that will compare with any in the Big Six for speed and versatility.

The Cyclones from Iowa State will seek their second victory when they meet Colorado. Coach Abe Stuber's proteges rolled over Iowa State Teachers last Saturday by a 31-14 margin.

Man with a system

Simply pick up your telephone and you can route your voice through any one of thousands of central offices—some with dial mechanisms so complex they stagger the imagination, yet so efficient they seem to work like magic—others staffed by competent, courteous operators whose standards of work have long been a fine tradition.

You command, in effect, millions of miles of telephone wire and cable.

You can direct your call—one of some 110,000,000 that will be made today—to

any one of some 53,000,000 telephones here and abroad.

The operation of this vast system is big business. It is a complex, many-sided business in which thousands of college trained men are working in their chosen fields—development or research, engineering planning, accounting or statistics, public contacts, supervision of operations or other phases of management. These men have found highly interesting and rewarding careers.
