

Record Number Runners Enter IM Turkey Race

A record number of cross-country runners will tour the 7/8 mile campus layout Thursday afternoon in the annual intramural cross country Turkey race. Starting time is 4:30.

A total of 460 have registered and been issued numbers for the annual fall event. Last year's total participants established a record with 300 running.

Delta Upsilon looms as a repeat team winner with two of the first three place winners from last year returning to seek further laurels.

Place Winners Return
Al Lawson and Chuck Roberts who finished second and third respectively in 1946 behind Don Theil will both be running Thursday.

But the competition will be keener this year. Eserf Aydin, the tireless Turk who came to the Nebraska campus during the National AAU Track and Field championships last summer and stayed to attend the university, will run independently.

Several other long distance runners who are not eligible to participate on Coach Ed Weir's cinder squad have indicated intentions of entering the intramural affair.

Jack Best Points
Six men from each organization must finish the race in order to qualify for Jack Best participation points. If 10 or more men finish the race, a bonus of five points will be awarded.

Awards to winners will be presented by the Turkey Day queen and her court in the Coliseum lobby at the completion of the race.

Continued to use the same first team with the exception of the end positions where Harry Fox teamed with Sophus Larsen. The Nubbins for the most part are looking for a tough game from the Ft. Riley team figuring themselves as the underdog.

UN Nubbins Prep Ft. Riley

In preparation for their Friday night battle with Ft. Riley, Nebraska's B team members continued to add polish to their untried offense with most of the stress laid on the formation of a strong running attack.

The working up of a good offense has been Coach Ray De Bolt's main worry for the defense has carried the full brunt of several weeks of varsity contact. Wednesday night the Nubbins ran against the Freshman squad and looked to be in good physical condition with the exception of a few bruises that might slow down some of the boys.

The Huskers, favored to capture their second loop win at the expense of Coach Sam Francis' hapless Wildcats, were warned against an aerial threat from the K-Stat-ers.

A 35-man player squad was named Wednesday to make the trip for the Wildcat Homecoming party.

Ralph Damkroger and Jack Pesek continued to work at the first team end posts, Charlie Toogood and Carl Samuelson, Saturday game captain, were at the tackle spots, Fred Lorenz and
