Nu-Meds Select Ware as Prexy For '48 Semester

Nebraska Nu-Meds elected Fritz Ware president for the spring semester Wednesday. Other officers are, Pat Neely, vice president; Dean Lieber, secretary, and Walt Sehnert, publicity chairman. Dr. Munger, Lincoln urologist,

spoke to the group on a suggested revision of the pre-medical education. He stressed importance of an early screening of all students as an aid in directing individuals to fields which fit them best.

This would divert many from the "blind alley" which each year confronts so many, who, having finished their pre-medical training, find that it is impossible to gain entrance to a medical school.

The next meeting will be Wednesday, Feb. 4th.
