

## Scarlet Cagers Upset Kansas In 61-57 Win

Coach Harry Good's University of Nebraska basketball men upset the dope bucket Saturday night when they knocked off the league-leading Kansas Jayhawkers at Lawrence, 61-57.

It was a second-half scoring spree that gave the Huskers their second circuit win of the season. Kansas led, 24-20 at the half.

### Schleiger Tops Scarlet

Dick Schleiger, 6'5" center, was the top scorer for the Huskers. The big Omaha cager contributed 16 points to the Nebraska total. With ten minutes remaining in the game, Kansas knotted the score at 47-all. It was then that Schleiger dropped another field goal, and the Jayhawkers were on their way to defeat.

Otto Schnellbacher was the high scorer of the game with 19 points. The Kansas forward brought his team to within two points of the Huskers near the end of the game, but the rally was stopped there.

### Whitehead Comes Through

Bus Whitehead came through again from his center post to bag 10 points, and Forward Claude Retherford hit for nine. Coach Good used 11 men during the contest, and only two failed to score.

## Wolverine Star Sets U.S. Record

Charles Fonville of the University of Michigan broke the American college shot put record Saturday night in the Michigan State Relays with a heave of 56 feet 6 1/4 inches.

Fonville's toss was almost six inches beyond Georgetown's Al Blozis' mark of 56 feet 1/2 inch. Blozis set the former record in the 1940 N.C.A.A. meet.

The Michigan Wolverine's record-breaking effort came on his second try of the evening and was just 6 3/4 inches short of the world record set by Jack Torrance of Louisiana State at Oslo, Sweden, in 1934.

Officials said that Fonville's feat was the best indoor performance in history.

Fonville's record was the second top mark set last week. The other was made by Gil Dodds, winner of 21 consecutive indoor mile races. The former Falls City, Neb., runner set a new mile world record of 4:05.3.

Sunday Dodds was voted the John J. Hallahan Memorial Trophy as the outstanding competitor in the Boston A.A. track meet.

**HUSKER POLE VAULT ACE**—Don Cooper is shown clearing the bar on the way to his second victory this season. The York pole vaulter cleared 14' 7 1/2" against Iowa State Saturday night to break his old meet record of 14' 7" set last year. Cooper will carry the Cornhuskers' hopes next Saturday when the University of Missouri meets Nebraska under the east stadium.

# CRIB NOTES

by Bj Holcomb

Now that the long skirts are in the Smithsonian Institute, it has added to its collection of interesting items a picture of a girl's leg... cribbers comment about long skirts are long and prolonged and occupy much of the masculine conversation... despite adverse opinion about the ladies styles some fellows seem to like the long ballerinas. "I think they're sorta cute. At least they cover the bad looking legs." When questioned on the subject one Bizad student said, "I think they ought to be long enough to cover the subject and short enough to be interesting and that's all I'll say about the subject." One speech student said, "I don't mind them long but these crazy colored ruffles bother me... I always think their slip is showing."

**JOKE OF THE WEEK**  
"Do you like short skirts, Mac?"  
"Naw, they git lipstick on the shoit front when I dance with them."

Speaking of dancing you fellows will want to check your formal attire for this Saturday's Interfrat dance... Harvey Brothers will solve your problem for tux or accessories... you can count on Harvey's for the best in men's clothing.

A serious thought for today is one that may cause us dismay  
Just what are the forces  
That bring little horses  
If all the horses say, "Nay."
